 EPA Reg. No. 42697-7

PRECAUTIONARY STATEMENTS

Hazards to humans and domestic animals:

WARNING: Causes substantial but temporary eye injury. Causes skin irritation. Harmful if absorbed through skin. Do not get in eyes, on skin or on clothing. Wear goggles or safety glasses. Wash thoroughly with soap and water after handling. Remove and wash contaminated clothing before reuse.

First Aid (Statement of Practical Treatment):

If in eyes: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention.

If on skin: Wash with plenty of soap and water. Get medical attention.

If swallowed: Call a doctor or get medical attention. Do not induce vomiting or give anything by mouth to an unconscious person. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol.

In Case of Emergency, call 1-800-228-5635, ext. 170.

Environmental Hazards: This product may hazardous to aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

WHAT IT IS:

Safer® Brand Moss and Algae Killer is made from naturally occurring, biodegradable fatty acids. This water-based product is non corrosive to metals, contains no zinc or iron, and is non staining on most surfaces.

WHAT IT ELIMINATES (KILLS):

Safer® Brand Moss and Algae Killer effectively eliminates (kills) mosses, algae, lichens, liverworts and grime.

Safer® Brand Moss and Algae Killer effectively eliminates (kills) mosses in lawns.

WHERE TO USE IT:

Safer® Brand Moss and Algae Killer is ideal to use on: roofs, decks, siding, walkways, home greenhouses, growing containers and benches, structural surfaces, hardened bark of trees, lawns and turf. This container will treat up to 500 square feet depending on type of surface treated and degree of infestation.

HOW TO USE IT:

SHAKE WELL. Add one part concentrate to 20 parts water or, approximately 6 oz (12 tablespoons) per gallon. Apply mixed spray at the rate of approximately 1 gallon per 100 square feet. For best results, moisten area to be treated with fresh water before applying product. Avoid spraying when precipitation is expected. Spray affected area to wet thoroughly. Treated mosses, algae, lichens and liverworts discolor quickly and will dry and slough off naturally making physical removal unnecessary. Discoloration of treated mosses, algae, lichens and liverworts takes longer under cool conditions.

(For Mosses in Lawns and Turf)

MIXING RATIOS:

SHAKE WELL. For application with a standard garden sprayer, mix 4 fl. oz. (8 tablespoons) per gallon of water. For application with a hose end sprayer, select a dial setting that will provide a dilution of one part concentrate to 30 parts water. In areas with hard water, remove the wire screen from the nozzle of your hose-end sprayer.

(For Mosses in Lawns and Turf)

HOW TO USE IT:

For best results, moisten area to be treated with fresh water before applying product. Avoid spraying when precipitation is expected. Spray affected area thoroughly at the rate of approximately 1 gallon per 50 square feet. After 30 minutes, rinse sprayed areas lightly with clean water, then withhold water for two days. Do not treat turf when temperature exceed 85° F. **PERSISTENT MOSS GROWTH ON LAWNS** is symptomatic of too much shade, acid soil and poor drainage. If several sprayings do not reduce moss problem it may be necessary to reduce shade, aerate and lime the soil.

NOTE: Treated areas may be temporarily slippery. Use on ornamental trees only. **DO NOT APPLY** to fruit trees, foliage or green bark of conifers or broad-leaf plants. Product may leave white residue on cement, brick or dark-colored shingles. This residue may be removed with vinegar.

STORAGE & DISPOSAL

Storage: Store at room temperature, in original container only, out of reach of children and animals. Keep from freezing.

Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

Ringer Corporation and Safer®, Inc., will not accept liability for damage or injury resulting from misuse.

If you are not completely satisfied with this product, or for consumer information, call 1-612-703-3300 weekdays 9-5 Central time to arrange for a refund of the purchase price or replacement of the product. Proof of purchase is required.
