**Explanation:** Use additional page(s) if necessary. (For section I and Section II.)

Notification of additional label language per PR-Notice 98-10. Under Directions for use "For best results, leave spray area for 10 minutes following application, then scrub using a push broom or similar type of broom, then hose off with fresh water." This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 USC Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Potassium Salts of Fatty Acids	100%
OTHER INGREDIENTS	0%
TOTAL	100.00%

Ready to Spray!

KEEP OUT OF REACH OF CHILDREN

**WARNING:** See back panel for Precautions, Hazards and First Aid

5324-1007-7000000

**PRECAUTIONARY STATEMENTS:**

**Hazards To Humans & Domestic Animals:**

**WARNING:** Causes substantial but temporary eye injury. Causes skin irritation. Avoid if absorbed through skin. Do not get in eyes, on skin or on clothing. Wear goggles or safety glasses. Wash thoroughly with soap and water after handling. Remove and wash contaminated clothing before reuse.

**First Aid: IF IN EYES:** Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention. **IF ON SKIN:** Wash with plenty of soap and water. Get medical attention.

**IF SWALLOWED:** Call a doctor or get medical attention. Do not induce vomiting or give anything by mouth to an unconscious person. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol.

**ENVIRONMENTAL HAZARDS:** This product may be hazardous to aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment, washwaters or rinsate.

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**USE: IF ON:** Sals® Broad Moss and Algae Killer is made from naturally occurring, biodegradable lactic acids. This water-based product is non-corrosive to metals, contains no zinc or iron, and is non-staining on most surfaces.

**USE: IF ON:** Sals® Broad Moss and Algae Killer effectively eliminates mosses, algae, lichens, barnacles and glues. Sals® Broad Moss and Algae Killer effectively eliminates mosses in lawns.

**USE: IF ON:** Sals® Broad Moss and Algae Killer is ideal to use on: roofs, decks, siding, walkways, lawn greenhouses, growing containers and benches, structural surfaces, horizontal back of trees, stems and bark. This container will treat up to 200 square feet depending on type of surface treated and degree of infestation.

**HOW TO USE: SHAKE WELL.**

**NOTE AND REMARKS:** Easy to Use

1. Make sure nozzle is rotated fully clockwise to OFF position. Rotate well before attaching to hose.
2. Turn Product Control Button clockwise until the slit portion is flush with the lock tab, then push button all the way in. Avoid squeezing bottle.
3. Turn water on at faucet, aim nozzle toward surface and turn knob counterclockwise to begin spraying.
4. When finished push Product Control Button to OFF position from opposite side. Rotate knob and faucet to OFF position. Discharge water pressure by holding nozzle ON and OFF again. Turn Product Control Button counterclockwise away from lock tab to prevent accidental discharge. Store out of reach of children.

JOB RECORD

7.23.01 DJ

For Structural Applications: Apply solvent spray at the rate of approximately 1 gallon per 100 square feet. For best results, surfaces need to be treated with fresh water before applying product. Spray area until thoroughly wet. Treating gutters, eaves, ledges and downspouts will eliminate mold. For best results, leave spray on top for 10 minutes following application, then scrub using a push broom or similar type broom, then rinse off with fresh water.

For Unpainted Surfaces and Finished Work of Stone: Spray affected area to wet thoroughly. Use on ornamental items only. DO NOT APPLY to brick, stone, terrazzo or green beds of courtyards or local food plants.

For Windows in Lenses and Tint: For best results, window area to be treated with fresh water before applying product. Avoid spraying when precipitation is expected. Spray affected area thoroughly at the rate of approximately 1 gallon per 100 square feet. After 30 minutes, clean sprayed areas lightly with clean water. Then wash with water for two days. Do not treat tint when temperature exceeds 80°F. PERSISTENT MOLD GROWTH ON LENSES is symptomatic of bad shock shade, tint and seal glass damage. If second sprayings do not reduce mold problem it may be necessary to remove shade, tint and seal into the seal.

NOTE: Treated areas may be temporarily slippery. Product may leave white residue on cement, brick or dirt-colored surfaces. This residue may be removed with vinegar.

**STORAGE AND DISPOSAL:**

Storage: Store at room temperature, in original container only, out of reach of children and animals. Keep from freezing.

Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

Woodstream Corp. and its subsidiaries will not accept liability for damage or injury resulting from misuse. For information on this pesticide product (including health concerns, medical consequences, or pesticide incidents), call the National Pesticide Telecommunications Network at 1-800-852-9328.

If you are not completely satisfied with this product, or for consumer information, call (717) 696-9129 weekdays 9-5 Eastern Time to arrange for a refund of the purchase price or replacement of the product. Proof of purchase is required.
