## PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals:

CAUTION - Harmful if swallowed. May cause temporary eye irritation. In case of eye contact, flush with clean water.

Environmental Hazards - Do not apply directly to water or wetlands. Do not contaminate water by cleaning of equipment or disposal of wastes.

DISPOSAL - Do not reuse empty container. Rinse thoroughly before discarding in trash.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Recommended dosage. This container will treat up to 50 sq. ft. depending on the type of surface and degree of cryptogam growth. For best results, moisten overgrown area with fresh water before applying De-Moss. Avoid spraying when precipitation is expected. Repeat treatment annually or at the outset of cryptogam recolonization.

NOTE: Discoloration of sprayed cryptogams takes longer under cool conditions.

Do not apply to foliage of conifers or broad-leaf plants. Do not use to control moss in lawns. Treated surfaces may be temporarily slippery.

SAFER INC., will not accept liability for damage resulting from misuse.
