PRECAUTIONARY STATEMENTS:

Hazards to humans and domestic animals:

Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling.

FIRST AID

If in eyes:
<ul style="list-style-type: none"> - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. - Call a poison control center or doctor for treatment advice.
If on skin or clothing:
<ul style="list-style-type: none"> - Take off contaminated clothing. - Rinse skin immediately with plenty of water for 15-20 minutes. - Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-858-7378 for emergency medical treatment.

ENVIRONMENTAL HAZARDS: This product may be hazardous to aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

WHAT IT IS: SAFER AGRO-CHEM'S DE-MOSS-READY TO USE is made from naturally occurring, biodegradable fatty acids. This water-based product is non-corrosive to metals, contains no zinc or iron, and is non-staining on most surfaces.

WHAT IT ELIMINATES[Kills]: SAFER AGRO-CHEM'S DE-MOSS-READY TO USE effectively eliminates [kills] mosses, algae, lichens, liverworts and grime. SAFER AGRO-CHEM'S DE-MOSS-READY TO USE effectively eliminates [kills] mosses in lawns.

WHERE TO USE IT: SAFER AGRO-CHEM'S DE-MOSS-READY TO USE is ideal to use on: roofs, decks, siding, walkways, home greenhouses, growing containers and benches, structural surfaces, hardened bark of trees, lawns and turf. This container will treat up to 50 square feet depending on type of surface treated and degree of infestation.

HOW TO USE IT: SHAKE WELL.

MASTER LABEL- BACK PANEL (Page #2 of 3)

For Structural Applications: For best results, moisten area to be treated with fresh water before applying product. Spray area at a rate of approximately 1 gallon per 100 sq. ft. of overgrown surface. Avoid spraying when precipitation is expected. Spray affected area to wet thoroughly. Treated mosses, algae, lichens and liverworts discolor quickly and will dry and slough off naturally making physical removal unnecessary. Discoloration of treated mosses, algae, lichens and liverworts takes longer under cool conditions.

For Growing Containers and Hardened Bark of Trees: Spray affected area to wet thoroughly. Use on ornamental trees only. **DO NOT APPLY** to fruit trees, foliage or green bark of conifers or broad-leaf plants.

For Mosses in Lawns and Turf: For best results, moisten area to be treated with fresh water before applying product. Avoid spraying when precipitation is expected. Spray affected area thoroughly at the rate of approximately 1 gallon per 50 square feet. After 30 minutes, rinse sprayed areas lightly with clean water, then withhold water for two days. Do not treat turf when temperature exceeds 85°F. **PERSISTENT MOSS GROWTH ON LAWNS** is symptomatic of too much shade, acid soil and poor drainage. If several sprayings do not reduce moss problem, it may be necessary to reduce shade, aerate and lime the soil.

NOTE: Treated areas may be temporarily slippery. Product may leave white residue on cement, brick or dark-colored shingles. This residue may be removed with vinegar.

STORAGE & DISPOSAL:

Storage: Store at room temperature, in original container only, out of reach of children and animals. Keep from freezing.

DISPOSAL:

If Empty: Do not reuse this container. Place in trash or offer for recycling if available.
If Partly Filled: Call your local solid waste agency or (800)-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

Woodstream Corp. and its subsidiaries will not accept liability for damage or injury resulting from misuse. For information on this pesticide product (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Telecommunications Network at 1-800-858-7378.
