PRECAUTIONARY STATEMENTS:

Hazards to Humans and Domestic Animals:

CAUTION: Harmful if swallowed. May cause eye irritation; avoid eye contact.

FIRST AID: In case of eye contact, flush with plenty of water. Get medical attention if irritation persists.

Environmental Hazards: Keep out of lakes, streams or ponds.

DISPOSAL: Do not reuse empty container. Rinse thoroughly before discarding in trash.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To kill adult fleas in and around the house, thoroughly spray areas where pets frequently rest. Be sure to treat around baseboards, floor coverings, carpets and upholstered furniture used as a resting place. Outdoors, spray favored resting places, kennels, and any pet bedding. Repeat application at weekly intervals during the flea season.

NOTE: Spray will not stain or discolor color-fast fabrics. If in doubt, test spray on small unexposed area and observe effects. Do not use on suede, flocced wallpaper or other specialty fabrics. For a complete program of flea control, use Safer's Flea Soap for your pets and Safer's Flea Guard concentrate.

Safer, Inc. will not accept liability for injury resulting from misuse.
