SUBJECT: Label Amendment  
Safer® Sharpshooter Weed & Grass Killer Ready to Use Spray (RTU)  
EPA Registration No. 42697-22  
Your Submission Dated March 4, 2011

The label amendment referred to above, submitted in accordance with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records. Please submit one (1) copy of your final printed labeling before you release the product for shipment. This amended labeling supersedes all previously accepted ones.

Sincerely yours,

A handwritten signature in black ink that reads "Kathryn V. Montague".

**MASTER LABEL-BACK PANEL (Page #1 of 3)**

**Directions for use:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

*[Spray Instructions]*

Read the entire label before using product. **IMPORTANT: THIS PRODUCT IS A GENERAL CONTACT HERBICIDE AND WILL DAMAGE OR DESTROY [KILL] ALL VEGETATION WHICH IT CONTACTS. AVOID OVERSPRAY OR SPRAY DRIFT ONTO DESIRABLE LAWN GRASS, FLOWERS, VEGETABLES, GARDEN PLANTS, SHRUBS, OR TREES. KEEP PEOPLE AND PETS OFF TREATED AREAS UNTIL DRY TO AVOID PRODUCT TRANSFER TO DESIRABLE VEGETATION.**

[Use product as provided. No dilution required. Use for spot treatment of weeds. Ensure uniform and complete coverage of all types of unwanted vegetation. **VISIBLE EFFECTS USUALLY OCCUR WITHIN FOUR HOURS.** Do not apply during windy conditions that will carry spray onto desirable vegetation.]

**USE:** Shake well, and use as provided for spot treatment of weeds. Ensure thorough wetting [avoid runoff] and complete coverage of all unwanted vegetation. Do not apply during windy conditions that will carry spray to desired [desirable] vegetation. Note: only those plants or plant parts directly contacted by the herbicide spray will be damaged. Weeds: This product will control most young, succulent and actively growing weeds [less than 5" high]. Several treatments may be necessary to control grasses and established weeds. Maturing [flowering] or woody weeds are less susceptible and may not be killed. This product will not kill all perennial weeds but will result in top kill and suppression. Weeds and grasses emerging after application, and regrowth from perennial weeds after top kill will not be controlled without reapplication. Under some conditions, tough weeds like Bermudagrass, Canada thistle, and bindweed will show signs of regrowth after several weeks. Should this occur, retreat with this product. [ This product is a contact herbicide.] This product is non-selective and non-residual. Shield lawn grass and desired plants carefully [during use] to avoid damage [to the plants]. [The herbicidal effect of this product does not remain in the soil.] This product will not move through soil [translocate] to injure nearby plants. Treated areas can be [seeded] sown two day after application.

**REMARKS:** For best results, apply to weeds during early periods [stages] of growth and during warm dry weather. Herbicidal action is rapid with effects visible within hours.

The speed at which this product works is affected by climatic conditions. For most rapid kill, apply in warm, dry weather.

4096

**MASTER LABEL-BACK PANEL (Page #2 of 3)**

This product may cause white residue on some types of brickwork or concrete. This residue will wear off after a few weeks. [A dilute solution of vinegar can be used to remove residue.]

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals**

**CAUTION:** Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

**FIRST AID**

<b>If in eyes:</b>
<ul style="list-style-type: none"> <li>- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>- Call a poison control center or doctor for treatment advice.</li> </ul>
<b>If on skin or clothing:</b>
<ul style="list-style-type: none"> <li>- Take off contaminated clothing.</li> <li>- Rinse skin immediately with plenty of water for 15-20 minutes.</li> <li>- Call a poison control center or doctor for treatment advice.</li> </ul>
Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-858-7378 for emergency medical treatment.

**Environmental Hazards**

This product may be hazardous to aquatic invertebrates. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposal of water.

**STORAGE AND DISPOSAL**

**STORAGE:** Store only in original container in a cool, dry area inaccessible to children and pets. Protect from freezing and heat. Keep container tightly closed to prevent evaporation.

**DISPOSAL:**

**If Empty:** Non-refillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

**If Partly Filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
