drink a large quantity of water. Do not administer liquids to an unconscious person.

If On Skin: Wash with plenty of soap and water. Get medical attention if irritation persists.

If In Eyes: Flush with plenty of water. Get medical attention if irritation persists.

- 3. The first two sentences of the Storage and Disposal statement must be preceded by the heading "Storage." The remaining sentences must be revised as follows:

Disposal: Do not reuse empty container. Securely wrap original container in several layers of newspaper and discard in trash.

The label comments listed above are based on the labeling submitted with the application dated June 23, 1989.

The additional brand name, "Safer Household Pest Killer Ready To Use," requested by letter dated June 6, 1990 is acceptable.

The labeling submitted with the application dated June 15, 1990 proposing a change in the Statement of Practical Treatment has not been reviewed. These labels bear the previous signal word. Furthermore, comment #2 above covers the Statement of Practical Treatment.

Submit five (5) copies of the finished printed labeling before this product is released for shipment under this revised labeling.

Sincerely yours,

Phil Hutton
