Safer® Brand Entire Insect Killer

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **SHAKE BEFORE USING.** (Turn spray nozzle to one of the open positions.) Hold sprayer 12 to 18 inches from surface and spray to achieve thorough coverage. (Apply when insects or their damage first appear. Spray to thoroughly moisten all plant surfaces where insects are feeding or resting. Repeat treatment every 7 to 10 days when insects are present or as need to prevent damage.) Use with caution on new, tender foliage.

Additional statement for aerosol product:

[Do not use this product in or around electrical equipment due to the possibility of shock hazard.]

USE ON HOUSEPLANTS to control [kill] aphids, [(spider) (red) mites, mealybugs, thrips, scales,] caterpillars and whiteflies. Apply when insects or their damage first appear. Spray to thoroughly moisten all plant surfaces where insects are feeding or resting. Repeat treatment every 7 to 10 days when insects are present as needed to prevent damage. **CAUTION:** Do not use on Crown of Thorns, jade plant or delicate ferns. Test on begonias, fuchsias and impatiens for varietal sensitivity.

USE ON ORNAMENTAL TREES AND SHRUBS including asters, azaleas, begonias, camellias, carnations, chrysanthemums and roses to control [kill] aphids, leafhoppers, whiteflies, [(spider) (red) mites, mealybugs, thrips, scales,] Japanese beetles, flea beetles, gypsy moth larvae, tent caterpillars, bagworms, leaf tiers and other caterpillars. (**CAUTION:** Do not use on Crown of Thorns, jade plant or delicate ferns. Test on begonias, fuchsias and impatiens for varietal sensitivity.)

USE ON ASPARAGUS, BEANS, BROCCOLI, BRUSSELS SPROUTS, CABBAGE, CAULIFLOWER, CUCUMBERS, LETTUCE, KALE, HERBS, EGGPLANT, PEPPER, TOMATOES, POTATOES AND SQUASH to control [kill] asparagus beetles, bean beetles, Colorado potato beetles, cucumber beetles, flea beetles, cabbage loopers, imported cabbageworm, [(spider) (red) mites, mealybugs,] tomato hornworm, diamondbacked moth, and other caterpillars, plant bugs, leafhopper, leafhoppers, aphids and whiteflies.

TO CONTROL [KILL] ANTS, EARWIGS, TICKS, FLEAS AND SOWBUGS: spray directly [on] the insects or their nests or hiding places. **DO NOT USE DIRECTLY ON DOMESTIC ANIMALS OR PETS.**

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals: CAUTION: Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

First Aid: If swallowed: Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink a large quantity of water. Do not administer liquids to an unconscious person. If on skin: Wash with plenty of soap and water. Get medical attention if irritation persists. If in eyes: Flush with plenty of water. Get medical attention if irritation persists. [IN CASE OF EMERGENCY CALL 1-800-228-5635, EXT.170.]

Addition of Physical or Chemical Hazards Section for aerosol product:

[Physical or Chemical Hazards: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperature above 130°F may cause bursting. Incineration of container may cause explosion.]

Environmental Hazards: This product is toxic to fish. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters. Remove or cover fish aquaria in the area being treated.

Storage & Disposal statements for RTU product:

STORAGE AND DISPOSAL

Storage: Protect from freezing. If frozen, thaw and shake well. **Disposal:** Do not reuse empty container. Securely wrap original container in several layers of newspaper and discard in trash.

Storage & Disposal statements for aerosol product:

STORAGE AND DISPOSAL

Storage: Protect from freezing. If frozen, thaw and shake well. [Store in a cool, dry place (preferably locked) inaccessible to children and pets, and away from heat, open flame or other sources of ignition.] **Disposal:** [This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label (DO NOT PUNCTURE!). If recycling is not available, wrap the container and discard in the trash.]

Ringer Corp. and Safer®, Inc. will not accept liability for damage or injury resulting from misuse.
