DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Always use freshly mixed spray solution. Use with caution on new tender foliage, and avoid spraying plants in full sun.

Mix one part concentrate to twenty parts water or 5 FL. OZ. (10 TBS.) PER GALLON OF WATER. Use as directed above on asparagus, beans, broccoli, brussels sprouts, cabbage, cauliflower, lettuce, kale, herbs, eggplant, peppers, tomatoes, potatoes, cucumbers and squash to control ASPARAGUS BEETLES, BEAN BEETLES, COLORADO POTATO BEETLES, CUCUMBER BEETLES, FLEA BEETLES, CATERpillARS (including CABBAGE LOOPERS, IMPORTED CABBAGEWORM, HORNWORMS, & DIAMOND BACK MOTH LARVAE), PLANT BUGS, LEAFHOPPERS, APHIDS AND WHITEFLY. Use as provided on ornamental trees and shrubs including azaleas, camellias, asters, carnations, chrysanthemums and roses to control JAPANESE BEETLES, FLEA BEETLES, CATERpillARS (including GYPSY MOTH LARVAE, TENT CATERpillARS, AND BAG WORMS), APHIDS, LEAFHOPPERS, AND WHITEFLY.

Apply when insects or their damage first appear. Spray to thoroughly moisten all plant surfaces where insects are feeding or resting. Repeat treatment every 7 to 10 days when insects are present or as needed to prevent damage. CAUTION: Do not use on Crown of Thorns, jade plant or delicate ferns. Test on begonias, fuchsias and impatiens for varietal sensitivity. To control WASPS, HORNETS, ANTS, EARWIGS, AND SOWBUGS apply directly to the insects or their nests or hiding place.

STORAGE & DISPOSAL

Protect from freezing. If frozen, thaw and shake well. Do not reuse empty container. Rinse thoroughly before discarding in trash. Do not contaminate water, food or feed by storage or disposal. For disposal of unused product, securely wrap original container in several layers of newspaper and discard in trash.

PRECAUTIONARY STATEMENTS

Hazards to humans and domestic animals: Irritation: Causes skin irritation. Do not get on skin, clothing, or in eyes. Wash thoroughly with soap and water after handling. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Remove contaminated clothing and wash before reuse. Avoid contamination of feed and foodstuffs. ENVIRONMENTAL HAZARDS: This product is toxic to fish. Keep out of lakes, streams and ponds. Do not contaminate water when disposing of equipment/waste/water. Cover fish aquaria before spraying adjacent area. FIRST AID (EMERGENCY TREATMENT): IF ON SKIN: Wash with plenty of soap and water. Get medical attention if irritation persists. If swallowed: Drink plenty of water. If eye irritates: Get medical attention if it does not improve. If inhaled: Drink a large quantity of water. Avoid alcohol.
