Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

Provide proof that you are a member of the Endangered Species Task Force or a written response to the Agency within 90-days on how you will satisfy the following data requirements.

- the development and submission of an Information Management System (IMS) that EPA can use to screen pesticide applications when their applications trigger potential endangered species issues;
- funding through a Cooperative Research and Development Agreement (CRADA) of a state by state species access program to be undertaken by EPA that will enable EPA to access high quality species locality data to validate the IMS;
- a quality test of the IMS, based in part upon information collected by EPA pursuant to the CRADA.

Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product
