U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

42750-145

Date of Issuance:

DEC 6 2006

Term of Issuance:

Conditional

Name of Pesticide Product:

Imazethapyr TGAI

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Mr. Morris Gaskins
Albaugh Inc.
121 NE 18th St.
Ankeny, IA 50021

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product when the Agency requires all registrants of similar products to submit such data.
2. Acceptable data for the following studies must be submitted as a condition of registration of this product by the due dates specified:
 - A study of the solubility of this TGAI in organic solvents (GRN 830.7840) no later than March 30, 2007.

Approving Official

12.6.06

- For formation of impurities (GRN 830.1670) submit no later than December 30, 2006: 1) possible impurities in the starting materials which may react in the production process; 2) the possible degradation of the ingredients in the product after production but prior to use; 3) post-production reactions between the ingredients in the product; 4) the possible migration of components of packaging materials into the pesticide

- A corrected CSF with the correct CAS number for the active ingredient no later than December 30, 2006.

In order for this requirement to be fulfilled, the submitted data must be determined to be acceptable by the Agency.

3. Submit samples of this product and a copy of the enforcement method for validation to:

EPA Analytical Chemistry Laboratory
Attn: Charles Stafford
701 Mapes Road
Fort Meade, MD 20755-5350

4. Make the following changes to your labeling:

a. Change the registration number to "42750-145

b. Make all of the changes detailed in the attached document "Summary of Comments on Imazethapyr TGA1".

5. Submit final labeling for this product **within 30 days** of the date of this letter.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

If you have any questions about this letter, please contact Tobi Colvin-Snyder at 703-305-7801.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For formulating products for use in:

Alfalfa, Peas and Beans, Field Corn (Clearfield corn hybrids only), Peanuts, Soybeans and Clearfield Rice.

Each formulator is responsible for obtaining EPA registration for his end-use products(s). Consult Albaugh before using this product for formulating purposes.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Do not mix or store this product or solutions of this product in unlined steel or aluminum.

PESTICIDE DISPOSAL: Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into formulation equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If burned, stay out of smoke. If drum is contaminated and cannot be reused, dispose of in the same manner.

STATEMENT OF WARRANTY

ALBAUGH, INC. warrants only that the material contained herein conforms to the chemical description on the label and is reasonably fit for the use therein described when used in accordance with the directions for use.

Any damages arising from a breach of this warranty shall be limited to direct damages and shall not include consequential commercial damages such as loss of profits or values or any other special or indirect damages.

ALBAUGH makes no other express or implied warranty, including other express or implied warranty of FITNESS or MERCHANTABILITY. User assumes the risk of any use contrary to label instructions or under abnormal conditions, or conditions not reasonably foreseeable by ALBAUGH.
