

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs  
Registration Division (7505P)  
1200 Pennsylvania Ave., N.W.  
Washington, D.C. 20460

EPA Reg. Number:

42750-196

Date of Issuance:

NOV 3 2008

NOTICE OF PESTICIDE:

- Registration
  - Reregistration
- (under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

**Myclobutanil 2%  
Homeowner**

Name and Address of Registrant (include ZIP Code):

**Albaugh, Inc.  
P.O. Box 2127  
Valdosta, GA 31604-2127**

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

Signature of Approving Official:

Shaja B. Joyner, Product Manager (20)  
Fungicide Branch, Registration Division (7505P)

Date:

Nov. 3, 08

2. Submit acceptable Storage Stability (OPPTS No. 830.6317) and Corrosion Characteristics (OPPTS No. 830.6320) studies within 15 months of the date of this registration.
3. Send a copy of the enforcement analytical method to the EPA Analytical Laboratory at the following address:  
US EPA Analytical Laboratory  
701 Mapes Road  
Ft. Meade, MD 20755-5350
4. Make the following changes to the label:
  - a. In the second line of the marketing text, change "...rust. Summer..." to "...rust, Summer..." In the third line change "Cant be washed..." to "Can't be washed..."
  - b. Change the product registration number to "EPA Reg. No. 42750-196"
  - c. Add the street address under "ALBAUGH, INC." at the bottom of page 1.
  - d. Put the **FIRST AID** instructions in a box to set them off from the rest of the text.
  - e. Add the following at the bottom of the **FIRST AID** box: "For emergency information, please call 1-800-XXX-XXXX." (*Insert emergency phone number*)
  - f. In the section **HAZARDS TO HUMANS AND DOMESTIC ANIMALS**:
    1. Add the sentence "Wear protective eyewear." After "Avoid contact with eyes or clothing."
    2. Delete the sentence "Remove contaminated clothing and wash clothing before reuse."
    3. Change "...water and after handling." To "...water and after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet."
  - g. Add a box with a title **USER SAFETY RECOMMENDATIONS**. Include the following in the box:
    1. "Remove contaminated clothing Wash clothing before reuse."
  - h. In the section **PRODUCT FACTS**, should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance. As an alternative, you may refer consumers to the company's phone number or e:mail address.
  - i. In the section **DIRECTIONS FOR USE** reduce the size of the dog and stop sign graphics and keep them on the same page as the statement "Keep people other than applicator or pets..." Change sentence to read "Keep pets and people other than applicator off..."

- j. In the section **HOSE END SPRAYER INSTRUCTIONS** in paragraph 5:
    - 1. Change "Walk at a steady pate while...." to "Walk at a steady pace while...."
    - 2. Change "...when bottle is half empty, you should have covered half the area.)" to "...when one quart bottle is half empty, you should have covered 1,500 square feet."
  - k. Put the **STORAGE AND DISPOSAL** instructions in a box to set them off from the rest of the text.
    - 1. Change the subheader "**STORAGE**" to "**PESTICIDE STORAGE**"
    - 2. Change the subheader "**DISPOSAL**" to "**PESTICIDE DISPOSAL**"
    - 3. Change "Do not reuse this container. Offer for recycling if available." To "Do not reuse or refill this container. Place in trash or offer for recycling if available."
  - l. Add an asterisk [\*] before the paragraph "Guaranteed Results...."
5. Submit one copy of the revised final printed label for the record before the product is released for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Shaja B. Joyner  
Product Manager (20)  
Fungicide Branch  
Registration Division (7505P)

Enclosure:

- Label stamped "Accepted with Comments"
- Acute Toxicity Review DP353081 dated September 24, 2008
- Product Chemistry Review DP353079 dated September 3, 2008

STOP. READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For home lawn use only.

Keep people other than applicator or pets off treated areas until spray has dried. (stop sign icon)(walking dog icon)

**WHEN TO USE**

This product is highly effective when it is used to prevent diseases or applied at the first sign of disease. Start treating when grass begins to turn green in the spring or when signs of diseases are first noticed. For best disease control, treat every 2 weeks.

**RESTRICTIONS**

Do not apply more than 13 treatments per year. In Nassau and Suffolk Counties in New York State, do not apply more than 3 times per given area per year.

Do not treat lawns during periods of stress, i.e. heat, drought, flooding, insects, excessive fertilizer, herbicides or pesticide use, etc.

Do not apply when temperatures are above 85°F as injury to lawn can occur.

If it rains before product has dried, reapply.

If you need more information, contact your local County Extension Service.

**HOW TO USE**

Determine the size of the area (lawn) to be treated. To calculate square feet, multiply length by width.

Start at the farthest point to be treated and work backward so you don't walk over treated area. Walk at a steady pace and spray using a side-to-side [arc] motion, slightly overlapping the treated area.

The entire [32 oz] bottle will treat 3,000 sq ft of lawn. Refer to [sight gauge] [Easy-View] [Clear-View] measuring window to guide coverage. When bottle is half empty, you should have covered half the area.

**ENTIRE LAWN**

**HOSE END SPRAYER INSTRUCTIONS [Dial Button]**

1. Shake container well before using.
2. Connect a garden hose to the Ready Spray nozzle. Make sure the dial on the nozzle is in the "OFF" position with the [green] safety tab in the valve notch.
3. Turn on water at faucet. Extend hose to the farthest area to be treated and work back toward the faucet so you don't come in contact with the treated area.
4. To BEGIN spraying, point nozzle toward lawn or plants to be treated and 1.) bend the [green] safety tab (located at right of [yellow] dial) back and hold, 2.) using your other hand, QUICKLY turn the dial clockwise until it stops and [green] tab engages into notch. Water will automatically mix with the product.

5. Spray lawn or plants thoroughly. Walk at a steady pace while spraying using an even sweeping motion, slightly overlapping treated areas. [One quart] [two quarts] [one gallon] will treat [3,000] [6,000] [12,000] sq ft. Calculate square feet by multiplying length by width. Refer to sight gauge to guide coverage (example: when bottle is half empty, you should have covered half the area).
6. To STOP spraying, QUICKLY turn the dial in the opposite direction of "ON" (counter clockwise) until it stops and the safety tab engages into the notch. Turn water off at faucet. To relieve pressure before removing nozzle from hose, bend the safety tab back and turn dial "ON" until water stops spraying.
7. To STORE unused product, make sure the dial is in the "OFF" position with the green safety tab in the valve notch. Place in a cool area away from heat, sunlight or open flame.

Rainproof— rain or watering 2 hours after application will not wash away effectiveness. [If rainfall occurs within 2 hours of application, the product should be reapplied.]

NOTE: This product is non-staining to most home siding depending on age and cleanliness. However, before using in areas where the spray may contact home siding (vinyl siding in particular), test in an inconspicuous area and recheck in a few hours. Do not use if any staining is observed.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool, dry area away from heat and open flame.

**DISPOSAL:** If empty: Do not reuse this container. Offer for recycling if available.  
 If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.

[Guaranteed Results - if you are not satisfied with the product for any reason, send your written request for a refund to the address below, together with the original dated store receipt showing the price you paid. Please allow 6-8 weeks for processing.]
