Mfg. by MASTIKURE PRODUCTS COMPANY, INC.
Norwalk, CT 06860 U.S.A.

CAUTION Avoid contact with eyes, nose, mouth, and skin. If contact occurs, wash thoroughly with water. Do not use in areas where children or pets are present. Wash hands after use.
HUMANS Use only for animals. Avoid contact with eyes, nose, mouth, and skin. If contact occurs, wash thoroughly with water. Do not use in areas where children or pets are present. Wash hands after use.
ANIMALS Use only for dogs and cats. Avoid contact with eyes, nose, mouth, and skin. If contact occurs, wash thoroughly with water. Do not use in areas where children or pets are present. Wash hands after use.

DIRECTIONS FOR USE

Apply to the ear canal of the animal. Use the applicator to apply the treatment to the ear canal. Do not use in areas where children or pets are present. Wash hands after use.

INDICATIONS This treatment is indicated for the prevention and control of ear mite infections in dogs and cats.

DIRECTIONS Apply to the ear canal of the animal. Use the applicator to apply the treatment to the ear canal. Do not use in areas where children or pets are present. Wash hands after use.

DIAGNOSIS Ear mite infections are usually diagnosed by the presence of dark, waxy material in the ear canal. The material is often accompanied by a foul odor and scratching of the ear.

USE PRECAUTIONS Since ear mites are occasionally found in other parts of the body, treatment should be applied to the entire body of the animal. Do not use in areas where children or pets are present. Wash hands after use.

STORAGE Store in a cool, dry place away from heat and open flame. Do not use if the container is damaged, wrinkled, or leaking.

DISPOSAL Do not reuse empty container. Wrap container and pour out contents.
