

APR 10 2007

Mr. David Andrus
DIATECT INTERNATIONAL
875 S Industrial Parkway
Heber, Utah 84032

Dear Mr. Andrus:

Subject: Label Revisions/Per PR Notice 2001-1
EPA Registration Number: 42850-3
Product Name: Diatect Pet Powder
Application Date: November 28, 2006

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable subject to the comments listed below:

- 1) Add the following statement to the Precautionary Statement:

Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

- 2) Revise the statement of "**Practical Treatment**" to read "**FIRST AID**"
- 3) Revise the **IF in EYES** and **IF on SKIN** statements as follows:

IF in EYES:

- o Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- o Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- o Call a poison control center or doctor for treatment advice.

IF on SKIN or CLOTHING:

- o Take off contaminated clothing.
- o Rinse skin immediately with plenty of water for 15-20 minutes.
- o Call a poison control center or doctor for treatment advice.

Pg 2 EPA Reg. No. 42850-3

- 4) Based on the toxicity profile for this product you are required to list the If on Skin or Clothing and If in Eyes First Aid statements. Therefore, you may delete the If Swallowed and If Inhaled first aid statements.
- 5) Move the statement "Do not use on animals under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. under the Directions for Use section of the label.
- 6) Add a referral statement on the front panel, "See other panels for additional Precautionary statements"
- 7) Revise the Pesticide Disposal Statement as follows:

"If empty: Do not reuse this container. Place in trash or recycling if available
If partly filled: Call your local solid waste or [toll free number which meets the criteria in paragraph II.E.] for disposal instructions. Never place unused product down any indoor or outdoor drain."
See PR NOTICE 2001-6 for information on pesticide disposal.
- 8) Delete the picture of the ferret on the front panel and the phrase, "and Pets" on the side panel. We have no information for use of this type product other than on dogs and cats.
- 9) The product name of record is "**Diatect Pet Powder**". Please submit a request for additional brand name for "Results Pet Powder".

Enclosed is a copy of your stamped label "Accepted with Comments". Submit three(3) copies of your final printed labeling before you release the product for shipment.

To expedite handling, please return a copy of this letter with your response. If you have any questions regarding this letter contact Ms Pat Quarles @ 703-305-6876.

Sincerely

George LaRocca
Product Manager 13
Insecticide Branch
Registration Division 7505P

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Caution: Causes moderate eye irritation. Harmful if absorbed through skin. Avoid contact with eyes, skin or clothing. Use adequate ventilation and avoid breathing dust. Use a dust mask for prolonged periods of use. Wash thoroughly with soap and water after handling. Do not use on animals under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to any body of water. Do not contaminate when disposing of equipment washwaters. Apply this product only as specified on this label.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.
Storage: Store in original container in a cool, dry place out of sunlight.
Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
Container Disposal: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

STATEMENT OF PRACTICAL TREATMENT

- Not Allowed:** -Do not induce vomiting unless directed by a physician. Contact a physician or poison control center immediately.
- If inhaled:** -Move person to fresh air. Apply artificial respiration if indicated.
- If on skin:** -Wash with plenty of soap and water. Get medical attention if irritation persists.
- If in eyes:** -Flush with plenty of water. Call a physician if irritation persists.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
