To Whom It May Concern:

This is to certify that Airwick Professional Products detergent-disinfectants A-33 Dry, A-33, F/H, A-3 and Omega have all been evaluated under the new Environmental Protection Agency standards as "one-step" hard surface detergent-disinfectants. All of the above products passed the A.O.A.C. Use-Dilution Test modified to include a 5% blood serum organic load against Salmonella choleraesuis, Staphylococcus aureus, and Pseudomonas aeruginosa.

Respectfully submitted,

*James W. Rogler*
