Aquinoc is a specially formulated odor counteractant/insecticide designed to chemically neutralize the odors and control the listed insects commonly originating in waste and trash handling areas. For use in waste and refuse handling devices and areas.

KILLS: Roaches, Earwigs, Grain Mites, Sowbugs, Spiders, Centipedes, and Ants.

CONTROLS: Flies, Mosquitoes, and Gnats. **FOR USE IN MANUAL AND AUTOMATIC DISPENSING SYSTEMS.**

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with the label instructions.

FOR CRAWLING INSECTS LISTED ABOVE: Apply, undiluted, as a contact spray. Adjust pressure and nozzle to deliver a coarse wet spray. When possible, spray directly on roaches, earwigs, grain mites, sowbugs, spiders and centipedes to reduce infestations. Spray areas to be treated thoroughly.

ANTS: When observed, spray directly. In addition, to control infestations, trails, nests and points of entry may be sprayed. Repeat if necessary.

FOR FLYING INSECTS: Flies, mosquitoes, and gnats, present on the surface of the refuse, will be killed when sprayed directly with a dilution of 1 part Aquinoc plus 1 1/2 parts water.

STORAGE AND DISPOSAL:

STORAGE: Store in cool, dry place. Keep container tightly closed when not in use. Do not freeze.

DISPOSAL: Do not reuse empty container. Triple rinse empty container with water and discard according to local disposal procedure.

PRECAUTIONARY STATEMENTS: HAZARD TO HUMANS AND DOMESTIC ANIMALS.

CAUTION: Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapors or mist. Avoid contact with eyes, skin or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists. Avoid contamination of food and foodstuffs. Use only in food processing plants when plant is not in operation. Foods should be removed or covered during treatment. All food processing surfaces should be covered or thoroughly cleaned before using. Remove pets, birds and cover fish aquariums before spraying.

ENVIRONMENTAL HAZARDS: Keep out of lakes, streams, or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

Keep From Freezing
