

ACCEPTED

MAR 3 1995

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 42964-17

DISINFECTANT VIRUCIDE

DISINFECTANT VIRUCIDE

Aerosol
Disinfectant
Virucide®

Asepticare®

Air Sanitizer/Odor Counteractant
with Residual Bacteriostatic
Odor Control

ACTIVE INGREDIENTS:
n-Alkyl (60% C₁₄, 30% C₁₆,
5% C₁₂, 5% C₁₈) dimethyl
benzyl ammonium
chlorides 0.15%
n-Alkyl (60% C₁₂, 32% C₁₄)
dimethyl ethylbenzyl
ammonium chlorides . . . 0.15%
Ethanol 62.74%
INERT INGREDIENTS .36.96%
(Includes Essential Oil Odor
Control Agents)

**KEEP OUT OF REACH
OF CHILDREN
WARNING**

Do not spray in face See
Back Panel for Additional
Precautionary Statements.

Net Weight:
14 oz. (397 G)

EPA Reg. No. 42964-17
EPA Est. 334-IL-2

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS
WARNING: Avoid getting into eyes. Avoid contamination of food.
First Aid: In case of contact, flush with water. If irritation persists,
get medical attention.

Physical and Chemical Hazards: Flammable. Contents under
pressure. Keep away from heat, sparks and open flame. Do not
puncture or incinerate container. Exposure to temperatures above
130°F may cause bursting.

FOR EMERGENCY MEDICAL INFORMATION, CALL TOLL-FREE 1-800-328-0026.

KILLS MOST GERMS—ON ENVIRONMENTAL SURFACES: *Staphylococcus*, *Streptococcus*,
Pseudomonas, *Mycobacterium tuberculosis*, *Candida albicans*, viruses like: Influenza A2 (Aichi),
Influenza B, Parainfluenza 1 (Sendai), Vaccinia, Canine distemper, Feline pneumonitis, Herpes simplex
(Types 1 and 2), Adenovirus (Type 2), as well as Athlete's Foot fungi and most disease germs. It
provides residual bacteriostatic action against odor-causing bacteria if not washed or rubbed off.

CONTROLS MOLD & MILDEW—Asepticare controls mold and mildew on hard nonporous surfaces if
not washed or rubbed off. **ELIMINATES ODORS AND SANITIZES THE AIR.** Asepticare temporarily
reduces the number of airborne bacteria such as *Staphylococcus aureus*.

Use Asepticare on door handles, clean-up carts, light switches, dressing or linen carts, hampers,
caper pails, toilet seats, bedpans, plastic mattress covers, and lockers. Asepticare is designed for use
in hospitals, offices, pet care areas, metals, and other areas where odor and bacterial control is
desired.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner
inconsistent with its labeling.

To Disinfect: Clean surface prior to application. Hold container 6-8 inches from the surface. Spray 3-5
seconds or until surface is wet. Allow to air dry without wiping, or allow to remain on area of surface
for 10 minutes before wiping. Avoid using spray on delicate fabrics, lacquered, shellacked, or other
finished wood surfaces.

To Control Mold & Mildew: Clean surface prior to application. Spray as above. Repeat application in 7
days or as necessary to maintain control.

To Sanitize Air: Close doors and windows and spray 20-30 seconds in most average size rooms,
moving the spray in a circular arc.

To Eliminate Odors: Spray 1-2 seconds in room as required.
Asepticare is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument
that (1) is introduced directly into the human body, either into or in contact with the bloodstream or
normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not
ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. Asepticare
may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization
or high level disinfection.

STORAGE AND DISPOSAL

Storage: Store in cool, dry place away from flames, sparks or other sources of heat or ignition.
Containers heated above 125°F (54°C) may burst. **Disposal:** This container may be recycled in
approved recycling centers. At present, there are only a few such centers in the country. Before
offering for recycling, empty the can by using the product according to the label (DO NOT
PUNCTURE). If recycling is not available, wrap the container and discard in the trash.

ADVERTENCIA: SI NO PUEDE LEER EN INGLES, PREGUNTE A SU SUPERVISOR SOBRE LAS
INSTRUCCIONES DE USO APROPIADAS ANTES DE TRABAJAR CORRECTAMENTE EL PRODUCTO.
