APR 14 1981
Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 42981-2

PRECAUTIONARY STATEMENTS

Hazards to Humans (and Domestic Animals)

DANGER

Causes eye and skin damage. Do not get in eyes, on skin or on clothing. Wear goggles or face shield when handling. Harmful if swallowed. In case of eye contact immediately flush eyes with plenty of water and get medical attention. For skin, flush with water and if irritation develops get medical attention. Do not graze animals on treated crop.

ENVIRONMENTAL HAZARD

Do not apply directly to lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

FOLLOW THE DIRECTIONS EXPLICITLY WHEN APPLYING THIS PRODUCT

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use 1 pint to 4 pints of concentrate per acre. Dilute concentrate with sufficient water for thorough coverage, but not more than 5 gallons of water per acre. Mix well. No surfactant necessary.

Sufficient solution should be used to saturate the cotton plants to the extent that all bolls are thoroughly covered. Bollex does not kill weevils, but deters feeding. Bollex is a new generation type insecticide designed for specific action for use in Integrated Pest Management. Timing is very important in the use of Bollex; if in doubt concerning the existence of a problem or a potential threat, consult your local extension service or your independent crop consultant.

BOLLEX can be reapplied as needed.

CONTAINER DISPOSAL

Do not reuse container after emptying. Dispose of according to local regulations.

Buyer and seller agrees: U.S. Soil makes no warranty, express or implied concerning this material unless specifically stated on the label. Damages limited to purchase price of product.

Product made in the United States of America. Patent Pending by United States Department of Agriculture.
