

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS (AND DOMESTIC ANIMALS)

#### **DANGER**

TOXIC BY SKIN CONTACT, INHALATION, OR SWALLOWING. ABSORBED THROUGH SKIN  
REPEATED EXPOSURE MAY, WITHOUT SYMPTOMS, BE INCREASINGLY HAZARDOUS  
DO NOT BREATHE VAPORS

CALL A PHYSICIAN IMMEDIATELY IN ALL CASES OF SUSPECTED POISONING

#### TREATMENT BY PHYSICIAN

#### ENVIRONMENTAL HAZARDS

DO NOT

#### PHYSICAL OR CHEMICAL HAZARDS

Do not pour or store near heat or open flame

BE CAREFUL AND WARN THE USER TO BE CAREFUL

NOTICE TO DRUM HANDLERS: IN CASE OF EMERGENCY, CALL 800-424-9300.

CLAIMER OF WARRANTIES.

#### STORAGE AND DISPOSAL

Get for use or storage in or around the home environment

Do not contaminate water, food or feed by storage or disposal

Open dumping is prohibited

Triple rinse for equipment and effort for cleaning equipment to prevent contamination of uncoated skin and local procedures

Pesticide spray in store or dispose them in accordance with the following instructions: according to federal, state or local regulations, or the following instructions: according to federal, state or local regulations

## RESTRICTED-USE PESTICIDE

For retail sale to and use only by Certified Applicator under their direct supervision, and only for those uses on the Certified Applicator's certification

# ATTAC 4

(CONTAINS 4 POUNDS OF TOXAPHENE AND 2 POUNDS OF TECHNICAL METHYL PARATHION PER GALLON)

#### ACTIVE INGREDIENTS:

Toxaphene<sup>(A)</sup>

O,O dimethyl O-p-nitrophenyl thiophosphate<sup>(B)</sup>

Related compounds

Xylene range aromatic solvent

#### INERT INGREDIENTS:

<sup>(A)</sup>Technical chlorinated camphene (chlorine content: 67.69%)

<sup>(B)</sup>Methyl parathion

EPA REGISTRATION NO. 43142-48

KEEP OUT OF REACH OF CHILDREN

### DANGER POISON

STATEMENT OF PRACTICAL TREATMENT

REMOVE PATIENT FROM ATTAC 42 EXPOSURE

IF SWALLOWED — SEE "TREATMENT BY PHYSICIAN". DO NOT INDUCE VOMITING. IF AN ANTIEMETIC IS AVAILABLE HAVE PATIENT DRINK ONE OR TWO GLASSES OF WATER AND INDUCE VOMITING BY TOUCHING BACK OF THROAT WITH FINGER

NEVER GIVE ANYTHING BY MOUTH TO AN UNCONSCIOUS PATIENT

IF IN EYES — WASH EYES FOR AT LEAST 15 MINUTES, HOLDING THE EYELIDS OPEN. CALL A PHYSICIAN IMMEDIATELY

IF INHALED — MOVE THE PERSON TO UNCONTAMINATED AREA. APPLY RESPIRATION IF INDICATED

IF SIGNS OR SYMPTOMS OF POISONING APPEAR, CALL A PHYSICIAN IMMEDIATELY FOR AN ANTIDOTE

IF ON THE SKIN — REMOVE CONTAMINATED CLOTHING IMMEDIATELY. WASH THE SKIN WITH SOAP AND WATER. CALL A PHYSICIAN IMMEDIATELY IN ALL CASES OF SUSPECTED POISONING

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS (AND DOMESTIC ANIMALS)**

**CAUTION**

When using this material, follow all directions on the label. It is important to wear eye protection. Wash eyes thoroughly and flush out well if they get into eyes. Wash hands thoroughly after handling. Avoid contact with plants and animals to be treated.

During normal use, exposure to treated plants and animals will be negligible. Wear eye protection, rubber gloves, protective clothing and a respirator if approved by the Mining, Safety and Health Administration, the U.S. Bureau of Mines, and by the National Institute for Occupational Safety and Health under the provisions of OSHA part 1910.120.

Wash hands and face thoroughly with soap and water after the use of this product. Remove gloves or other protective clothing when work with the product is completed. Wash them before reuse.

**ENVIRONMENTAL HAZARDS:**

This product is toxic to fish, birds, or other wildlife. Do not apply directly to lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. Exposed treated seeds may be hazardous to birds and other wildlife. Dispose of all excess treated seeds by burial away from birds or water.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not use in confined areas or outdoors.

**DIRECTIONS FOR USE**

This is an atrazine product. Read and follow all directions on the label. Follow all state and Federal laws to use this product. Do not use in a way that is prohibited by state or Federal law.

**STORAGE AND DISPOSAL**

- 1. PROHIBITIONS:** Do not use. Do not contaminate water by cleaning of equipment or disposal of wastes.
- 2. PESTICIDE DISPOSAL:** Follow the spray mixture instructions that are used according to label instructions. Do not be disposed of according to Federal State or local laws. Do not use in a way that is prohibited by state or Federal law.
- 3. CONTAINER DISPOSAL:** This container is to be recycled. Do not reuse. Do not use in a way that is prohibited by state or Federal law.
- 4. GENERAL:** Do not use in a way that is prohibited by state or Federal law.
- 5. STORAGE:** Do not use in a way that is prohibited by state or Federal law.

**PRODUCT INFORMATION**

This product is a herbicide. It is used to control weeds. It is used in a way that is prohibited by state or Federal law. Do not use in a way that is prohibited by state or Federal law.

**SEED TREATMENT**

The Rice Weevil is a pest of stored grain. It is recommended that seed be treated with a seed treater equipped with a dust applicator. This will provide additional protection against exposure to dampness before stacking. All seed should be stored in a dry place to prevent germination. All seed should be stored in a dry place to prevent germination. All seed should be stored in a dry place to prevent germination.

**TYPE OF SEED**

- Corn
  - Cotton
  - Sorghum
- Use maximum rate.

**IMPORTANT:**

Do not feed, or process, or use in any way, seeds beyond the period of time specified on the label. Do not use in a way that is prohibited by state or Federal law. Do not use in a way that is prohibited by state or Federal law.

## DIRECTIONS FOR USE

**SEED TREATMENT:** This product is for use on seeds of corn, sorghum, soybean, cotton, wheat, rice, and other crops. It is not for use on seeds of alfalfa, clover, or other legumes. Apply the product to the seeds in a clean, dry container. Use the amount of water for the dry seed as indicated on the product label. Pour the amount of water for the dry seed over the seed and stir thoroughly. Treat the seed in a clean, dry container. Do not use the product on seeds in a wet or undried state. If used in undried state, do not expose the treated seed to open flame or excessive heat. Dry seed thoroughly before stacking when wet heat may develop which will impair germination. All treated seed should be stored in a cool, dry place until planted. See also panel for first aid procedures.

TYPE OF SEED	OUNCES PER HUNDRED POUNDS
Corn	1.0 - 1.5
Sorghum	1.0 - 1.5
Soybean	1.0 - 1.5

Use the amount of water indicated on the label.

**IMPORTANT:** Treated seed must not be used for or mixed with food or animal feed or processed for either. Treat only those seeds needed for immediate use, minimizing the interval between treatment and planting. Do not store excess treated seed beyond planting time. Seed commercially treated with this product must be labeled in accord with applicable requirements of the Federal Seed Act. Labels attached to treated seed must state: Treated seed must not be used for or mixed with food or animal feed or processed for either. Exposed treated seed may be hazardous to birds and other wildlife. Dispose of all excess treated seed and seed containers in a safe way from birds and water.

## NOTICE—READ CAREFULLY

**CONDITIONS OF SALE:** Sevens offers this product for sale subject to and buyer and all users are deemed to have accepted the following conditions of sale and warranty which may only be varied by written agreement of a duly authorized representative of Sevens.

**WARRANTY LIMITATION:** Sevens warrants that this product conforms to the nominal description on the label and is reasonably fit for the purposes referred to in the directions for use on the label, subject to the inherent risks referred to below. Sevens makes no other express warranties. **THERE IS NO IMPLIED WARRANTY OF MERCHANTABILITY** and there are no warranties which extend beyond the description on the label hereof.

**INHERENT RISKS:** The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with this use. Buyer assumes all risks associated with use or application of this product to any crop, plant, or animal, or resulting from extraordinary weather conditions.

**LIMITATION OF LIABILITY:** In no case shall Sevens be liable for special, indirect, or consequential damages resulting from the use or handling of this product and the total amount of any such damages shall not exceed the purchase price of the product.
