

REK MINT DISINFECTANT is an industrial cleaner which disinfects as it cleans. It is specially designed for use in commercial and institutional settings. As a disinfectant, it kills germs and prevents them from multiplying. It is safe for use on most surfaces. REK MINT DISINFECTANT will remove the bacteria of cross-contamination. REK MINT DISINFECTANT is a highly effective one-step sanitizer for non-food contact surfaces.

When used as directed, REK MINT DISINFECTANT will deodorize surfaces, eliminate bacteria, and clean under sinks and counters, garbage cans and garbage storage areas, and other places where bacterial growth can occur.
