Minwax (R) Spray

KILLS HOUSEHOLD GERMS

Minwax (R) Spray kills household (most) germs, even odor-causing household germs (on hard, nonporous environmental surfaces), in empty garbage cans, empty hampers, bathroom basins, toilet areas, under sinks, pet areas, diaper pails and sick rooms.

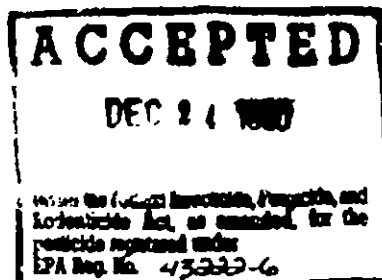

FAST/EASY/EFFECTIVE

Use on finished surfaces in basement, closets, attic, laundry rooms, storage areas, summer cottages, boat and car interiors, shower stalls. Excellent for controlling mold and mildew on mattresses, pillows, shower curtains, and books.

MINWAX (R) SPRAY MEETS RIGID AQC EFFICACY STANDARDS FOR HOSPITAL TYPE A-BISOL DISINFECTANTS. On environmental surfaces, Minwax (R) Spray kills staph and strep germs Trichophyton mentagrophytes (athlete's foot fungus) and viruses such as Rhino-39, Influenza A2 (Japan), Influenza Type B (Hong Kong), Herpes Simplex Types 1 and 2, Adeno Type 2, Vaccinia, Rotavirus, and Respiratory Syncytial Virus.

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

TO DISINFECT: Hold can upright 6" to 8" from surface, spray pre-cleaned surface 2 to 3 seconds until covered with mist. Allow to stand ten minutes. Allow surface to air dry or wipe dry with a clean cloth. To control mold and mildew and their odors: Clean surface prior to application. Spray surface until covered with mist. Repeat applications as necessary. Do not use on polished wood furniture, rayon fabrics or acrylic plastics.

Made in U.S.A. DOT 2P

Minwax^(R) Spray

ELIMINATES ODORS

Minwax^(R) Spray eliminates odors in the air and at their source. Ordinary, non-germicidal sprays can't do this. To freshen smoke-filled rooms quickly, spray perimeter of room. To eliminate smoking odors retained in fabrics, spray around draperies, curtains and upholstered furniture. Minwax^(R) Spray erases bathroom and cooking odors without heavy perfume. Eliminates damp musty odors in the basement or in areas where air doesn't circulate.

TO DEODORIZE: Hold can upright. Spray center of room as needed.

PRECAUTIONARY STATEMENTS: Hazards to humans and domestic animals.

CAUTION: Avoid contact with eyes and food.

FIRST AID: In case of eye contact, IMMEDIATELY flush eyes thoroughly with water, remove any contact lenses, and continue to flush eyes with plenty of water for at least 15 minutes. Get medical attention if irritation persists.

PHYSICAL AND CHEMICAL HAZARDS:

Contents under Pressure.

Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

STORAGE/DISPOSAL: Store in original container in areas inaccessible to small children. Do not puncture or incinerate container. Replace cap and discard in trash. Do not reuse empty container.
