NOTICE: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.

ENVIRONMENTAL HAZARDS: This product is highly toxic to bees exposed to direct treatment or residues on plants. Protective information may be obtained from your Cooperative Agricultural Extension Service. FOSBAN 2E is toxic to fish, birds, and other wildlife. Do not apply directly to water. Shrimp and crabs may be killed at application rates recommended on this label. Do not apply where fish and other aquatic life are important resources or where water is used for irrigation, recreational or domestic purposes. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes.

STORAGE AND DISPOSAL: *Prohibitions:* Do not contaminate water, food, or feed by storage or disposal. *Pesticide Disposal:* Pesticide, spray mixture, or rinsate that cannot be used or chemically reprocessed should be disposed of according to procedures approved by federal, state or local disposal authorities. *Container Disposal:* Triple rinse or equivalent and dispose of in an approved landfill or bury in a safe place. *General:* Consult federal, state or local disposal authorities for approved alternative procedures.

To Be Applied Only By or Under the Supervision of Pest Control Operators  
Public Health Organizations, Mosquito Abatement Districts, and Other  
Trained Personnel Responsible for Insect Control Programs.
