Attention: Stan Taylor

Gentlemen:

Subject: Jungle Power II Insect Repellent
EPA Registration No. 43227-62
Your Letter Dated April 24, 1986

Your proposed amendment to the registration of the product cited above to bring the product into compliance with a military specification and to make the directions less verbose is acceptable subject to the following comments.

1. The statement "It is a violation of Federal law to use this product in a manner inconsistent with its labeling" must appear on the label after the words "Directions for Use."
2. The statements "Do not reuse empty container. Wrap container and put in trash" must appear on the label under the heading "Storage and Disposal."

Submit five (5) copies of the corrected, finished, printed label before the product is released for shipment under this amended labeling.

Sincerely yours,

Arturo E. Catillo
Acting Product Manager (17)
Insecticide-Rodenticide Branch
Registration Division (TS-767C)
