Directions For Use: Read all directions before using this product. It is a violation of federal law to use this product in a manner inconsistent with its labelling. This product will repel mosquitoes, biting flies (including black, deer, horn, horse, snipe, greenhead, and stable flies), biting midges, ticks, chiggers, gnats, and fleas when applied to exposed skin. Apply as a lotion to all exposed skin areas. Do not apply directly to face, apply first to hands then rub on face and neck, avoiding eyes and mouth. Do not apply to hands of young children. Do not apply over cuts, wounds, or irritated skin. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing, avoid overexposure. Frequent application and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product. wash treated skin and contact your local poison control centre. If you go to a doctor take the repellent with you. Product may effect lacquers, paints, plastics, and synthetic fibres.

Storage and Disposal: Do not re-use empty container. Wrap empty container and put in trash.
