DIRECTIONS

It is a violation of Federal Law to use this product in a manner inconsistent with its label

Cockroaches, (waterbugs), silverfish and ants nest in all areas of a building. Thus, be sure to treat all infested areas *thoroughly*. Using the plastic, ketchup type, squeeze bottle, or a tablespoon; scatter *liberally* beneath and behind stove, dishwasher, refrigerator, freezer, washing machine and dryer, hot water heaters and below furnaces. Scatter *liberally* under sinks and along all baseboard cracks and crevices.

Do not use in serving areas while food is exposed

DISPOSAL

Do not use empty container. Wrap container and put in trash container. Apply only in areas inaccessible to children and pets. Avoid contamination of food and feedstuffs.
