NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 6(e)(1) with the understanding that you:

1. Submit data on efficacy and safety data required for registration or reregistration of your product by the FIFRA Act, 7 U.S.C. 135, within 90 days of the date of registration of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 43410-25."
 - b. Add "Harmful if Swallowed. Do not breathe vapors."
 - c. Delete "Do not dump where surface or subsurface waters may become contaminated."
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Description of Label and Format

ACI Melon Fungicide
43410-EL

The Label for this product will be printed on gummed paper and will be 8 inches high by 10 inches wide. The label will be divided into three panels. The center (front) panel will be 6 inches wide by 8 inches high, and on each side there will be panels 2 inches wide by 8 inches high as illustrated in Figure 1, (Page L-10).

The label text will be printed in the locations keyed to the numbers on Figure 1. The type sizes in the second column of Pages L-5/9 refers to the minimum type measurement, in printers points, that will be used for the text that is given in the last (TEXT) column.

The Label text will be printed in black ink except for those signal words, precautionary statements and/or figures that may be required in red. Those statements, words and/or figures to be printed in red will be indicated by the expression "((RED INK))" above and below these words etc. as they appear in the TEXT column.

((RED INK))

POISON

((RED INK))

Indicates that the word "Poison" would be printed in red on the finished label.
