Description of Label and Format

Agri-Gloss 26

The label for this product will be printed on gummed paper and will be 8 inches high by 10 inches wide. The label will be divided into three panels. The center (front) panel will be 6 inches wide by 8 inches high, and on each side there will be panels 2 inches wide by 8 inches high as illustrated in Figure 1, (Page L-8).

The label text will be printed in the locations keyed to the numbers on Figure 1. The type sizes in the second column of Pages L-5/8 refers to the minimum type measurement, in printers points, that will be used for the text that is given in the last (TEXT) column.

The label text will be printed in black ink except for those signal words, precautionary statements and/or figures that may be required in red. These statements, words and/or figures to be printed in red will be indicated by the expression "((RED INK))" above and below these words etc. as they appear in the TEXT column.

((RED INK))

DANGER

((RED INK))

Indicates that the word "Danger" would be printed in red on the finished label.
