DIRECTIONS FOR USE GENERAL CLASSIFICATION It is a Violation of Federal Law to Use this Product in a Manner Inconsistent with Its Labeling

DILUTION TABLE

200 P.P.M. 1 oz. for every 2 gallons of water.
150 P.P.M. 1 oz. for every 3 gallons of water.
100 P.P.M. 1 oz. for every 4 gallons of water.

FOR SANITIZING AND DEODORIZING IN DAIRY PLANTS AND FARMS

1. Scrape and prewash utensils.
2. Wash with soapy solution.
3. Rinse with clear water.
4. Sanitize with a solution of 1 ounce ProCHLOR 64 to 2 gallons of water (200 ppm). Immerse all utensils for at least two minutes or for a contact time specified by governing sanitary code. Do not rinse with water.
5. Place sanitized utensils on a rack or drainboard to air dry. Test sanitizing solution frequently with a suitable chlorine test kit, and maintain at least 50 ppm available chlorine.

KEEP UPRIGHT — DO NOT DROP

Buyer assumes all risk of use, storage or handling of this material not in strict accordance with directions given here or with established safe practices.

STORAGE AND DISPOSAL: Store in a cool, dry area away from direct sunlight. In case of spill, flood area with a large quantities of water. Rinse empty container thoroughly with water and either return to manufacturer or discard by placing in trash collection or burying it in an approved landfill. Product or rinsate that cannot be used, should be diluted with water and disposed of in a sanitary sewer. Do not contaminate food, or feed by storage, disposal or cleaning of equipment.

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

Pro Chlor 64

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Pro Chemicals, Inc.
306 S. Pearl Street
Green Bay, WI 54303

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with the provisions of Section 3(c)(7)(A) of the Act, since you have agreed that you will submit and/or cite all data required for registration/reregistration of your product under FIFRA Section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with Section 6(e) of the Act.
