

LEMON CDD CLEANER-DEODORIZER-DISINFECTANT

ACCEPTED

MAR 3 1975

Phenol Coefficient using A.O.A.C. method

- Salmonella typhosa - 7
- Staphylococcus aureus - 10
- Escherichia coli - 6

UNDER THE FEDERAL INSECTICIDE
FUNGICIDE AND RODENTICIDE ACT
AND THE ECONOMIC POISON REGULATION

ACTIVE INGREDIENTS:

Amyl (C ₁₂ , 58%; C ₁₁ , 28%; C ₁₀ , 14%)	2.00%
dimethyl benzyl ammonium chloride	1.00%
Isopropanol	0.25%
Essential oils	3.25%
Total Active Ingredients	6.50%
INERT INGREDIENTS:	93.50%
TOTAL INGREDIENTS	100.00%

DIRECTIONS:

Use in hospitals, public rooms, beauty shops and pet animal kennels for general disinfection of walls, floors, glass, metal, plastic, porcelain, synthetic and finished wood surfaces and furnishings.

FOR DISINFECTION

1. Flush away surface soils with water where possible.
2. Clean with a solution of 8 ounces of DISINFECTANT per gallon of water.
3. Rinse with clear water.
4. Apply disinfecting solution so as to thoroughly wet all surfaces. For non-porous, easily cleaned areas, make a disinfecting solution of 8 ounces of DISINFECTANT per gallon of water. For porous surfaces, areas difficult to clean, or non-toilet cleanings (e.g., linoleum) make a disinfecting solution using 8 ounces of DISINFECTANT per gallon of water.
5. Surfaces contacting food must be scrubbed thoroughly with detergent and rinsed with potable water prior to reuse.

FOR DEODORIZING

For garbage cans and similar refuse areas, use a solution of 16 ounces per gallon of water. Spray or wet all surfaces.

FOR MILDEW CONTROL

Use on enamel, porcelain, tile and plastics to control mildew. Follow directions for disinfection. Repeat treatment every seven days, or when new growth appears.

This DISINFECTANT is effective against a wide variety of gram-positive and gram-negative bacteria and pathogenic fungi.

This DISINFECTANT is also an excellent deodorant. It is especially advantageous to control odors that are bacterial in origin.

This DISINFECTANT mixes readily with water and makes a clear, stable solution. In use dilution, it is non-corrosive and non-staining to plastic, vinyl, synthetics, enamel, tile and most common metals. Has a pleasant lemon odor.

CAUTION

KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Avoid getting in eyes or on skin. In case of contact, wash thoroughly with water. If irritation persists, get medical attention. Avoid contamination of food or feedstuffs. Avoid breathing spray mist.

Rinse empty container thoroughly with water and discard it.
