Available Only From Veterinarians

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[The following paragraph will be used on products packaged with a clear poly seal & flower design on front of container.]

Punch through clear poly seal where holes appear on flower design with a pencil or ball point pen. Using attached twist-tie, hang container on outside of cage with opening facing cage. For optimum effect, cover cage nightly. Replace BIRD CAGE DEFENDER when slight scent cannot be detected. Clean cage every four to seven days.

[The following paragraph will be used on products packaged with a non-transparent, adhesive seal on front of container.]

Remove seal from other side. Using attached twist-tie, hang container on outside of cage with perforations facing cage. For optimum effect, cover cage nightly. Replace BIRD CAGE DEFENDER when slight scent cannot be detected. Clean cage every four to seven days.

It is recommended that caged birds receive a daily spray bath with RICH HEALTH Feather Glo Bird Bath Spray.

**STORAGE:** Store in a cool dry place (preferably locked) inaccessible to children and pets and away from heat or open flame.

**DISPOSAL:** Wrap container in several layers of newspaper and discard in trash.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes, or clothing. Do not allow birds to chew on container. Replace container if damaged.

BACK PANEL CONT'D - FEATHER GLO BIRD - CAGE - DEFENDER (BLISTER-PACK DISPLAY CARD)

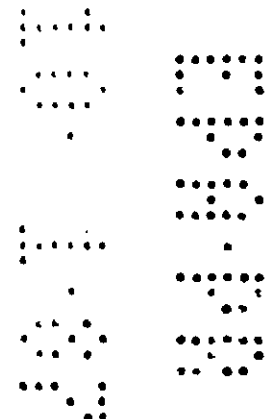

**STATEMENT OF PRACTICAL TREATMENT**

If Swallowed: Call a physician or Poison Control Center immediately. Do not induce vomiting.  
If on Skin: Remove contaminated clothing. Wash affected areas with plenty of soap and water.  
If in Eyes: Flush eyes with plenty of water. Get medical attention if irritation persists.
