DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Apply powder liberally to body of animal, working in dust by rubbing against the lay of the hair until dust penetrates to skin. Repeat once weekly if necessary. Contact ticks with powder. Do not use on pregnant dogs. Do not treat puppies or kittens under four weeks of age.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed or inhaled. Avoid inhalation of dust or contact with skin. Wash hands thoroughly after use. Avoid contamination of feed and foodstuffs.

Statement of Practical Treatment

If Swallowed: Call a physician or poison control center immediately. Drink one or two glasses of water and induce vomiting by touching the back of throat with finger. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious or convulsing person. **If In Eyes:** Immediately flush eyes with plenty of water. Contact a physician if irritation persists. **If On Skin:** Immediately remove contaminated clothing and wash affected areas with soap and water. Wash clothing prior to reuse. **If Inhaled:** Remove person to fresh air. Contact a physician if warranted.

Environmental Hazards

This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given herewith.
