### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### Shake Well Before Use

Do not use on puppies or kittens under 12 weeks of age. Consult a veterinarian before using this product on debilitated, medicated, aged, pregnant or nursing animals. Do not repeat treatment for 2 to 3 days.

**To Control Fleas and Ticks on Pets:** Start spraying at the tail, moving the dispenser rapidly and making sure that the animal's entire body is covered, including the legs and under body. While spraying, fluff the hair to ensure the spray will penetrate to the skin. Thoroughly wet the hair. Make sure spray wets thoroughly. Do not spray into eyes or face.

**To Control Spinose Ear Ticks and Ear Mites,** apply syringe the ears with a few drops of this product to each ear dilution making sure so that it can penetrate the wax down to the surrounding tissues.

**For temporary protection from mosquitoes, eye gnats, biting flies and chiggers,** apply to cover the surface of the hair.

**On Premises: To Control Fleas and Brown Dog Ticks on Premises:** Thoroughly spray infested areas, pet beds, resting quarters, nearby cracks and crevices, along and behind baseboards, moldings, window and door frames and localized areas of floor and floor covering. Put fresh bedding should be placed in animal's quarters following treatment. Concurrent treatment of animals is recommended. Repeat treatment as needed.

**Storage:** Store in original container in a cool, dry place (preferably locked) inaccessible to children and pets and away from heat or open flame. **Protect from freezing.** **Disposal: If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for 1-800-CLEANUP for disposal instructions. **Never place unused product down any indoor or outdoor drain.** Do not reuse empty container. Securely wrap container in several layers of newspaper and discard in trash collection.

**ACCEPTED**  
NOV 21 2002  
Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 43576-4

**PRECAUTIONARY STATEMENTS**  
**Hazards to Humans & Domestic Animals**

**CAUTION: Humans:** Harmful if swallowed or inhaled. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Wash skin with soap and water after using. Avoid spraying food and foodstuffs. Remove birds and cover fish aquariums before spraying. **Animals:** Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

**First Aid**

<b>If Swallowed</b>	<ul style="list-style-type: none"> <li>• <u>Immediately call a poison control center or doctor for treatment advice.</u></li> <li>• <u>Have person sip a glass of water if able to swallow.</u></li> <li>• <u>Do not induce vomiting unless told to do so by a poison control center or doctor.</u></li> <li>• <u>Do not give anything by mouth to an unconscious person.</u></li> </ul>
<b>If Inhaled</b>	<ul style="list-style-type: none"> <li>• <u>Move person to fresh air.</u></li> <li>• <u>If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.</u></li> <li>• <u>Call a poison control center or doctor for further treatment advice.</u></li> </ul>
<b>If on Skin or Clothing</b>	<ul style="list-style-type: none"> <li>• <u>Take off contaminated clothing.</u></li> <li>• <u>Immediately rinse skin with plenty of water for 15-20 minutes.</u></li> <li>• <u>Call a poison control center or doctor for treatment advice.</u></li> </ul>
<b>If in Eyes</b>	<ul style="list-style-type: none"> <li>• <u>Hold eye open and rinse slowly and gently with water for 15-20 minutes.</u></li> <li>• <u>Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</u></li> <li>• <u>Call a poison control center or doctor for treatment advice.</u></li> </ul>

Have the product container or label with you when calling a poison control center or doctor or going for treatment. [You may also call 1-800-755-7056 for emergency medical treatment advice.]

**(Note: The first aid statements' grid format will be used if market label space allows; otherwise a paragraph format will be used.)**

**If Swallowed:** Promptly drink one or two glasses of water and contact a physician or poison control center immediately. **If Inhaled:** Remove victim to fresh air. Apply artificial respiration if indicated. Contact a physician if needed. **If on Skin:** Immediately remove contaminated clothing and wash affected area with plenty of water. Contact a physician if irritation persists. Wash clothing prior to reuse. **If in Eyes:** Immediately flush eyes with plenty of water. Contact a physician if irritation persists.

[In case of questions or emergencies, call 800-755-7056.]
