If not satisfied return unused portion to Rich Health for full refund. Contains a grooming agent to help comb and brush away dead fleas, ticks, and lice.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use only in a well ventilated area. Remove birds and cover aquariums before spraying.

**DOGS & CATS:** Cover animal's eyes with hand and spray head, ears, and chest until damp. With fingertips rub into face around mouth, nose and eyes. Then spray neck, body and legs. For best penetration of spray to the skin, direct spray against the natural lay of the hair. On long-haired dogs & cats rub hand against the lay of the hair, spraying the ruffled hair directly behind the hand. Make sure spray thoroughly wets ticks. Repeat treatment as needed.

**PUPPIES AND KITTENS:** Spray only along back or on your fingertips and rub into coat. Do not use on puppies or kittens under 4 weeks of age.

**PET SLEEPING QUARTERS:** The bedding should be sprayed and then replaced with fresh bedding for best results. Spray floors and carpets, around baseboards, windows, door frames, & wall cracks. If mosquitoes, gnats or flies are present, spray lightly into air.

**STORAGE:** Store in a cool dry place (preferably locked) inaccessible to children and pets and away from heat or open flame.

**DISPOSAL:** Do not reuse empty container. Wrap container in several layers of newspaper and discard in trash.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed or inhaled. Avoid breathing spray mist. Avoid contact with skin or eyes. Avoid contact with animal's eyes. Do not use on nursing animals.

**STATEMENT OF PRACTICAL TREATMENT**

**If Swallowed:** Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Contact a physician or local Poison Control Center. **If In Eyes:** Immediately flush eyes with plenty of water. Contact a physician if irritation persists. **If On Skin:** Wash with soap and water. Contact a physician if irritation persists.
