Subject Amended Reregistration Label
Scalex Mite & Lice Spray for Birds
EPA Registration Number 43576-6
EPA Decision Numbers 411843, 410458

Dear Ms Davis

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the referenced product in connection with the pyrethrins and piperonyl butoxide **RED**, and has concluded that your submission is acceptable

NOTE This product is **not** being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time

Please be reminded that 40 CFR Part 156 140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated August 26, 2011
- Alternate CSF 1A, dated August 26, 2011

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec 6(e).

If you have any questions about this letter, please contact Samantha Hulkower at 703-603-0683 or hulkower_samantha@epa.gov

Sincerely Yours,

Richard J Gebken

For Use on Cage and Aviary Birds to Kill Mites and Lice

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling
Do not spray food or foodstuffs

Use Directly on Birds to Control Bird Lice Leave birds in cage Remove food and water Lightly spray with 3 or 4 pumps directly on birds from a distance of 12 to 18 inches Avoid the bird's eyes and face Repeat twice a week

Use on Cage and Aviary Surfaces to Control Feather Mites Remove bird(s) food and water cups etc Thoroughly spray cage and aviary surfaces from a distance of at least one foot using 5 to 6 pumps per cage Thoroughly spray outside of the cage bottom as feather mites often live there Do not wet cages or aviary surfaces to the point of runoff or drip

Repeat treatment in aviary, cages and on birds twice a week Clean bird cages in hot water weekly

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal

Pesticide Storage Store in original container in a cool dry (preferably locked) place inaccessible to children and pets and away from heat or sunlight Protect from freezing

Pesticide/Container Disposal Non refillable container do not reuse or refill this container **If empty** Offer for recycling, if available, otherwise discard in trash **If partly filled** Call your local solid waste agency for disposal instructions Never place unused product down any indoor or outdoor drain

First Aid
