**DIRECTIONS FOR USE
GENERAL CLASSIFICATION**

**IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT
IN A MANNER INCONSISTENT WITH ITS LABELING**

LAUNDRING IN TUB, WASHING MACHINE OR AUTOMATIC WASHER:

IN SOAKING SUDS: Add 1 tablespoon of this sodium hypochlorite solution for each gal of water. Mix well. Add soap or detergent. Immerse laundry 11 min. to overnight. Wash. Rinse.

IN WASHING SUDS: Add 1 tablespoon of this sodium hypochlorite solution for each gal water. Mix well. Add soap or detergent. Immerse laundry. Wash. Rinse. (For automatic washers into which laundry is placed before water is added, dilute recommended amount of this sodium hypochlorite solution in qt. of water and pour into washer after laundry is immersed.)

BLEACH, DISINFECTANT, DEODORANT, STAIN REMOVER OR CLEANSER:
To remove STAINS - Fruit, Berry, Wine, Coffee, Tea, Chocolate, Vegetable, Flower, Grass, Blood and many Ink, Dye and Medicine Stains, also SCORCH and MILDEW (Do not use on silk, wool or unfast colors) - Make solution 2 tablespoons of this sodium hypochlorite solution for each qt. cold water. Mix thoroughly. Immerse fabric 5 to 15 min. Rinse well in clear water. Repeat if necessary. Any trace of mildew remaining usually disappears when fabric is dried in sunlight.

FOR SANITIZING GLASSES, DISHES AND SILVERWARE:
Immerse for 30 seconds in solution of 2 ozs. of this sodium hypochlorite solution to 4 gallons of water in final rinse tank of dishwashing procedure. This product may be employed in hot or cold water.

Eating and drinking utensils properly washed and submerged in product solutions, prepared as directed, will be sanitized in accordance with health department requirements.

Basic measurements: 4 tbsps. or 2 ozs. of this sodium hypochlorite solution added to four gallons of water equals 200 ppm available chlorine solution. 8 ozs. equals one cup or one-half pint.

NOTE: This product degrades with age. Use a chlorine test kit and increase dosage as necessary to obtain the required level of available chlorine.

STORAGE AND DISPOSAL: Store in a cool, dry area away from direct sunlight. In case of spill, flood area with large quantities of water. Rinse empty container thoroughly with water and either return to manufacturer or discard by placing in trash container or burying in an approved landfill. Product or rinseate that may be used should be diluted with water and disposed of in a sanitary sewer. Do not contaminate food or feed by storage, disposal or cleaning of equipment.
