# PRECAUTIONARY STATEMENTS HARMS TO HUMANS (AND DOMESTIC ANIMALS) CAUTION

Read label before using. Use only as recommended for claims listed.

Avoid exposure in seed treatment and loading operations. Wear goggles, clean gloves, protective clothing, and a pesticide respirator jointly approved by the Department of Labor and Safety Administration (formerly the U.S. Bureau of Mines) and the National Institute for Occupational Safety and Health under the provisions of 30 CFR 141.101.

Wash arms, and face thoroughly with soap and water after handling and before eating. Routinely shower or bathe after work and wash all clothing with soap and water before reusing.

## SPECIAL USE PRECAUTIONS:

Treated seed must not be used for human consumption nor as animal feed. Treated seed should be labeled.

### TREATED SEED

DO NOT USE FOR FEED, FOOD, OR OIL PURPOSES

Government and some states have issued regulations for the application of labels to be affixed to bags containing treated seed.

Do not treat seed by burial.

## ENVIRONMENTAL HAZARD:

Toxic to fish. Keep out of any body of water. Do not contaminate water by disposal of wastes. Bury wastes and empty containers in isolated areas away from water supplies.

## STATEMENT OF PRACTICAL TREATMENT:

**EYE CONTACT:** Immediately flush eyes with running water for at least 15 minutes. Call a physician.

**SKIN CONTACT:** Wash the affected areas with soap and warm water.

## PRODUCT INFORMATION:

Flowable Seed Protectant is a liquid suspension especially formulated for use on seed prior to storage and planting to protect seed from molds and other fungi which cause seed loss and to protect seed from seed-borne and soil-borne fungi which cause damping-off, and seedling blights. At the recommended dosage Flowable Seed Protectant is noninjurious to seeds or seedlings and the treated seed is frequently stimulated, giving a superior result as compared to untreated seed.

## DIRECTIONS FOR USE AND RECOMMENDATIONS:

Follow State and Federal Law to use this product in a manner inconsistent with its label.

Before using and use only as specified on this label.

Before using, stir thoroughly to mix contents.

Thoroughly mix the recommended amount of Captain 300 Flowable Seed Protectant into the required amount of water for the slurry treater equipment and use. Clean equipment thoroughly between treating operations.

CAPTAN 300

Flowable Seed Protectant

Agricultural Fungicide — Liquid Suspension

### ACTIVE INGREDIENT:

CAPTAN: N [(Trichloromethyl)thio]-4-cyclohexene-1,2-dicarboximide . . . . . BY WT 30.0%

INERT INGREDIENTS: . . . . . 70.0%  
100.0%

### CAUTION:

KEEP OUT OF REACH OF CHILDREN

- \* Causes eye and skin irritation.

## SEED TREATMENT DOSE-RATE RATES

Oz per 100 lb

The Following Table gives the amounts of this product to use on various seeds, in OUNCES per HUNDRED POUNDS of seed

| SEED                                                          | DOSAGE RATE          |
|---------------------------------------------------------------|----------------------|
| Alfalfa, Clover, Lespedeza, Trefol                            | 7 fl oz / 100 lb     |
| Beans (snap, dry, cowpeas)                                    | 2 1/2 fl oz / 100 lb |
| Beets (garden)                                                | 10 fl oz / 100 lb    |
| Cereal Grains (for seed & seedling rots — not for burnt smut) |                      |
| Barley, rye                                                   | 2 fl oz / 100 lb     |
| Oats                                                          | 2 1/2 fl oz / 100 lb |
| Wheat                                                         | 1 1/2 fl oz / 100 lb |
| Cole Crops (Broccoli, Brussels sprouts, Cabbage, Cauliflower) | 1 1/2 fl oz / 100 lb |
| Corn                                                          |                      |
| Field Corn                                                    | 1 1/2 fl oz / 100 lb |
| Sweet Corn                                                    | 3 1/2 fl oz / 100 lb |
| Cotton                                                        |                      |
| Acid delinted cotton                                          | 2 1/2 fl oz / 100 lb |
| Reginned and fuzzy cotton                                     | 3 1/2 fl oz / 100 lb |
| Crucifers (Mustard, Radishes, Rape, Turnips)                  | 1 1/2 fl oz / 100 lb |
| Flax                                                          | 3 1/2 fl oz / 100 lb |
| Grasses                                                       | 6 1/2 fl oz / 100 lb |
| Milo                                                          | 5 fl oz / 100 lb     |
| Muskmelon, Watermelon, Pumpkin, Squash                        | 1 1/2 fl oz / 100 lb |
| Peanuts (unshelled)                                           | 6 fl oz / 100 lb     |
| Peas                                                          | 2 1/2 fl oz / 100 lb |
| Rice                                                          | 3 fl oz / 100 lb     |
| Sorghum (hull-less)                                           | 3 1/2 fl oz / 100 lb |
| Soybeans                                                      | 2 fl oz / 100 lb     |
| Spinach                                                       | 5 fl oz / 100 lb     |
| Sugar Beets, West                                             | 5 fl oz / 100 lb     |
| East                                                          | 10 fl oz / 100 lb    |
| Sunflowers                                                    | 3 fl oz / 100 lb     |
| Swiss Chard                                                   | 10 fl oz / 100 lb    |
| * Tomato, Cucumbers, Cantaloupe                               | 2 1/2 fl oz / 100 lb |

## STORAGE AND DISPOSAL:

1. PROHIBITIONS: Store in a cool, dry place. Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.
2. PESTICIDE DISPOSAL: Pesticide spray mixture or residue that cannot be used, or the empty container, should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.
3. CONTAINER DISPOSAL: Empty container and disposal in a landfill approved for pesticide containers, or bury in a safe place away from water supplies.
4. GENERAL: Consult Federal, State, or local disposal authorities for approved alternative procedures.

## NOTICE — READ CAREFULLY

**CONDITIONS OF SALE:** Agricultural Products Company (and seller) warrants this product for use subject to and under the terms and conditions of sale and warranty which may only be varied by written agreement of a duly authorized representative of Agricultural Products Company.

**WARRANTY LIMITATIONS:** Agricultural Products Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the directions for use on the label, subject to the inherent risks referred to below. Agricultural Products Company makes no other express warranties. THERE IS NO IMPLIED WARRANTY OF MERCHANTABILITY and there are no warranties which extend beyond the description on the label hereof.

**INHERENT RISKS:** The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with its use. Buyer assumes all risks associated with use or application of this product, including but not limited to, resulting from adverse weather conditions.

**LIMITATION OF LIABILITY:** In no case shall Agricultural Products Company be liable for special, indirect, or consequential damages resulting from the use of this product, and no claim shall be asserted against the purchaser or any other party in the chain of distribution of this product.
