

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS (AND DOMESTIC ANIMALS)
CAUTION**

Read the entire label before using. Use only as recommended for claims listed.

During exposure in seed treatment and loading operations, wear goggles, clean synthetic rubber gloves, protective clothing.

Wash hands, arms, and face thoroughly with soap and water after handling and before eating or smoking. Routinely shower or bathe after work and wash all clothing with soap and hot water before reusing.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish. Keep out of any body of water. Do not contaminate water by cleaning equipment or disposal of wastes. Bury wastes and empty containers in isolated areas away from water supplies.

SPECIAL USE PRECAUTIONS:

IMPORTANT: Treated seed must not be used for human consumption nor as animal feed. Bags containing treated seed should be labeled.

TREATED SEED

DO NOT USE FOR FEED, FOOD, OR OIL PURPOSES

The Federal Government and some states have issued regulations for the application of special tags or labels to be affixed to bags containing treated seed.

Dispose of excess treated seed by burial.

PRODUCT INFORMATION

CAPTAN 25 + MOLY-LUBE SEED TREATER is a dust base agricultural fungicide especially formulated for seed treatment at planting time. This product is especially useful in planter box treatments and is formulated to help lubricate the planter box and assure smooth, even seed flow to the furrow. **CAPTAN 25 + MOLY-LUBE SEED TREATER** also provides molybdenum which is essential to the nitrogen-fixing nodule bacteria of the soybean seed. When used at the recommended levels, **CAPTAN 25 + MOLY-LUBE SEED TREATER** assures adequate seed protection in the furrow where treacherous conditions may be used on previously treated seed.

CAPTAN 25 + MOLY-LUBE SEED TREATER

(Fungicide with MOLYBDENUM and non-oil lubricant)

Agricultural Fungicide	Dust Base
ACTIVE INGREDIENT:	BY WT
CAPTAN II - Trichloromethylthio-4-chloro-1,3-dioximide	23.6%
Related Derivatives	1.4%
INERT INGREDIENTS:	75.0%
	100.0%

CAUTION: KEEP OUT OF REACH OF CHILDREN

- ***IN CASE OF EYE CONTACT:** Immediately flush eyes with running water for at least 15 minutes. Call a Physician.
- ***IN CASE OF SKIN CONTACT:** Wash the affected area with soap and warm water.
- ***AVOID CONTACT WITH EYES AND SKIN.**
- ***AVOID CONTACT WITH SWALLOWED, INHALED, OR ABSORBED THROUGH SKIN.**
- ***Do not get in eyes, on skin, or in clothing.** Wear goggles, gloves, and clean synthetic rubber gloves when handling.
- ***Wash with soap and water after handling.**
- ***Avoid handling of treated seed.**
- ***Do not use on stored grain, food, or feed.**
- ***See label for additional precautionary statements.**

STORE IN A COOL, DRY PLACE.

DIRECTIONS FOR USE:
It is a violation of State law to use this product in a manner inconsistent with its label.

Read all directions before using.

MEASURING SCOOP: approximately 4 ounces.

SOYBEANS: Use CAPTAN 25 + MOLY-LUBE SEED TREATER for planter box treatment at the rate of 1/2 pound per 100 pounds of seed.

CAPTAN 25 + MOLY-LUBE SEED TREATER is a specially designed formulation for use on soybean seed provided against seed-borne diseases, damping-off, and seedling rot. It also provides molybdenum for seedlings and the germ, giving a superior result as compared to untreated seed.

FOR IMPROVED MIXING: It is recommended that the seed be treated with the product, then transferred to a clean container. The required amount of product should be added to the container, finally the second half of the seed should be added and mixed.

STORAGE:

1. **PROHIBITIONS:** Store in a cool, dry place. Do not use for disposal. Open dumping is prohibited.
2. **PESTICIDE DISPOSAL:** Empty containers should be disposed of from water supplies.
3. **CONTAINER DISPOSAL:** Approved for pesticide containers.
4. **GENERAL:** Consult Federal and State regulations as limited open burning.

NOTICE:

CONDITIONS OF SALE: Agricultural Products Company warrants that the product is as described and that it is free from adulteration and all users are advised to read the entire label and all instructions. Agricultural Products Company makes no other warranties, express or implied, and there are no warranties which extend beyond the description on the label. **INHERENT RISKS:** The directions on the label should be followed carefully. However, it is not possible to eliminate all risks associated with the use of this product, especially those arising from extraordinary weather conditions. **LIMITATION OF LIABILITY:** Agricultural Products Company shall not be liable for any damages, including consequential damages, arising from the use of this product, even if such damages were foreseeable.

POUNDS NET

Manufactured in U.S.A.

AGRICULTURAL PRODUCTS COMPANY, Harlingen, Texas 78550

DIRECTIONS FOR USE AND APPLICATION RATES:
It is a violation of State and Federal Law to use this product in a manner inconsistent with its labeling.

Read all directions before using and use only as specified on this label.

MEASURING SCOOP IS ENCLOSED. One level scoop holds approximately 4 ounces of product.

SOYBEANS: Use **CAPTAN 25 + LUBE SEED TREATER** as a planter box treatment at the rate of 4 ounces per bushel or 7 ounces per hundred pounds of seed.

CAPTAN 25 + MOLY-LUBE SEED TREATER is a specifically designed formulation for the treatment of soybean seed. Protection is provided against seed-borne and soil-borne fungi which cause seed decay, damping-off, and seedling blights. At the recommended dosage **CAPTAN 25 + MOLY-LUBE SEED TREATER** is noninjurious to seeds or seedlings and the germination of treated seed is frequently stimulated giving a superior result as compared to results from untreated seed.

FOR IMPROVED MIXING OF PRODUCT WITH SEED it is recommended that the seed be premixed in a suitable container with the product then transferred to the planter box. Similar results may be obtained by filling the planter box half full of seed, then adding half the required amount of product, followed by thorough mixing with a stick and finally the second half of the seed and product, repeating the mixing.

STORAGE AND DISPOSAL:

- PROHIBITIONS:** Do not use on crops or plants not listed on this label.
- PESTICIDE DISPOSAL:** Do not spray directly on water. Do not contaminate water, food, or feed by storage or disposal.
- CONTAINER DISPOSAL:** Triple rinse immediately and thoroughly. Recycle where available.
- GENERAL:** Do not use if label directions are not followed.
