

**TECHNICAL STATEMENTS
HAZARDS TO HUMANS
(& DOMESTIC ANIMALS)**

WARNING

May be fatal if swallowed. May be Absorbed Through Skin. Do not breathe dust. Do not get in eyes, on skin, or on clothing. Causes eye and skin irritation. Wash hands, arms, and face thoroughly with soap after handling and before eating or smoking. Routinely shower or bathe after working and wash all clothing with soap and hot water before reusing. Avoid contamination of feed and foodstuffs.

During exposure in seed treatment and loading operations, wear goggles, clean synthetic rubber gloves, and protective clothing.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. Exposed treated seeds may be hazardous to birds and other wildlife. Dispose of all excess treated seeds by burial away from bodies of water.

DIRECTIONS FOR USE

It is a violation of State and Federal Law to use this product in a manner inconsistent with its labeling. Read all directions and use only as specified on this label.

Treated seed must not be used for or mixed with food or animal feed, or processed for oil. Treat only those seeds needed for immediate use, minimizing the interval between treatment and planting. Do not store excess treated seeds beyond planting time.

MEASURING SCOOP IS ENCLOSED. One level scoop holds approximately four ounces of product.

TYPE OF SEED	OUNCES PER 100 POUNDS
Alfalfa, Clover	2 oz
Barley	4 oz
Beans	
Bush Snap and all others except Limas	2 oz
Baby Bush Limas	2 oz
Standard and Fordhook Large Limas	1 oz
Cantaloupe, Cucumber, Watermelon, Squash,	
Pumpkin	4 oz
Carrots, Onions	4 oz
Corn	4 oz
Cotton	
Acid Delinted	8 oz
Machine Delinted	8 oz
Fuzzy, Undelinted	9 oz
Grass (Safflower, Rye, Sudan)	2 oz
Milo, Sorghum, Okra	4 oz
Lettuce	4 oz
Oats	2 oz
Peas	4 oz
Soybean	2 oz
Spinach, Sunflower	4 oz
Sugar Beets	16 oz
Tomatoes	8 oz
Wheat	2 oz

FOR IMPROVED MIXING OF PRODUCT WITH SEED, it is recommended that the seed be premixed in a suitable container with the product, then transferred to the planter box. Similar results may be obtained by filling the planter box half full of seed, then adding half the required amount of product, followed by thorough mixing with a stick, and finally, the second half of the seed and product repeating the mixing.

IF SOIL TEMPERATURE IS EXTREMELY HIGH (that is, during midsummer planting or other reasons) reduce recommended dosage by one-half. Avoid lengthy storage of treated seed to prevent loss of Lindane.

PRODUCT INFORMATION

LINDANE 25 PLANTER BOX SEED TREATER is a dust base agricultural insecticide especially formulated for seed treatment at planting time. This product is formulated to help lubricate the planter box and assure smooth, even seed flow to the furrow. LINDANE 25 PLANTER BOX SEED TREATER is formulated for use in the treatment of seeds for protection against wireworms, seed corn maggots, and certain other soil-borne insects. Where Seeding Blight, Damping-Off, or seed decay normally occurs, combine this product with a full dosage of protective fungicide, such as **CAPTAN 25 PLANTER BOX SEED TREATER**.

STORAGE AND DISPOSAL

1. **PROHIBITIONS:** Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.
2. **PESTICIDE DISPOSAL:** Pesticide that cannot be used, or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.
3. **CONTAINER DISPOSAL:** Triple rinse (or equivalent) and dispose in an incinerator or landfill approved for pesticide containers, or bury in a safe place.
4. **GENERAL:** Consult Federal, State, or local disposal authorities for approved alternative procedures such as limited open burning.

NOTICE — READ CAREFULLY

CONDITIONS OF SALE: Agricultural Products Company (and seller) offer(s) this product for sale subject to, and buyer and all users are deemed to have accepted, the following conditions of sale and warranty which may only be varied by written agreement of a duly authorized representative of Agricultural Products Company.

WARRANTY LIMITATION: Agricultural Products Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the directions for use on the label subject to the inherent risks referred to below. Agricultural Products Company makes no other express warranties. THERE IS NO IMPLIED WARRANTY OF MERCHANTABILITY and there are no warranties which extend beyond the description on the label hereof.

INHERENT RISKS: The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with use or application of this product contrary to label instructions or resulting from extraordinary weather conditions.

LIMITATION OF LIABILITY: In no case shall Agricultural Products Company be liable for special, indirect, or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which such damages are claimed.
