

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS
(AND DOMESTIC ANIMALS)**

CAUTION

Causes eye and skin irritation. Harmful if swallowed, inhaled, or absorbed through skin. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling.

Wash hands, arms, and face thoroughly with soap and water after handling and before eating or smoking. Routinely shower or bathe after work and wash all clothing with soap and hot water before reusing. Avoid inhaling of dust. Do not use or store near food or feed.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish, birds, and other wildlife. Do not apply directly to lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. Exposed treated seeds may be hazardous to birds and other wildlife. Dispose of all excess treated seeds by burial away from bodies of water.

DIRECTIONS FOR USE:

It is a violation of State and Federal Law to use this product in a manner inconsistent with its labeling.

Read all directions and use only as specified on this label. Treated seed must not be used for or mixed with food or animal feed, or processed for oil. Treat only those seeds needed for immediate use, minimizing the interval between treatment and planting.

For control of common mold fungi or Fusarium Seed Piece Decay, apply 1 to 1½ pounds of this product to each 100 pounds of cut seed pieces. For best control this product must be applied evenly to the entire surface of each piece immediately after cutting. If the treated whole seed is later cut, a second application will be necessary. If planting is delayed, follow recommended storage practices of cut seed pieces in your area. Do not use excess seed for food or feed.

Use lower rate when method of treating produces consistently even coverage of treated seed pieces and when favorable weather conditions prevail. Use higher rate when weather conditions are unfavorable or uncertain, or where method of treating may not consistently produce even coverage of each cut seed piece.

PRODUCT INFORMATION

This product is an agricultural fungicide in a dust form containing Douglas Fir Bark as the primary inert carrier. It is useful for treating Potato Seed Pieces and Potato Whole Seed for control of common mold fungi or Fusarium Seed Piece Decay, and aids the natural healing process of suberization and wound periderm in cut seed potatoes.

STORAGE AND DISPOSAL

- 1. PROHIBITIONS:** Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.
- 2. PESTICIDE DISPOSAL:** Pesticide, spray mixture or rinsate that cannot be used according to label instructions must be disposed of according to Federal, State, or Local procedures under the Resource, Conservation, and Recovery Act.
- 3. CONTAINER DISPOSAL:** Dispose of bag according to approved Federal, State, or Local procedures under the Resource, Conservation, and Recovery Act.
- 4. GENERAL:** Consult Federal, State, or Local Disposal Authorities for approved alternative procedures such as limited open burning.

NOTICE — READ CAREFULLY

CONDITIONS OF SALE: Seller(s) offer(s) this product for sale subject to, and buyer and all users are deemed to have accepted, the following conditions of sale and warranty which may only be varied by written agreement of a duly authorized representative of Seller(s).

WARRANTY LIMITATION: Seller(s) warrant(s) that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the directions for use on the label subject to the inherent risks referred to below. Seller(s) make(s) no other express warranties. **THERE IS NO IMPLIED WARRANTY OF MERCHANTABILITY** and there are no warranties which extend beyond the description on the label hereof.

INHERENT RISKS: The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with its use. Buyer assumes all risks associated with use or application of this product contrary to label instructions or resulting from extraordinary weather conditions.

LIMITATION OF LIABILITY: In no case shall Seller(s) be liable for special, indirect, or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which such damages are claimed.
