

ACCEPTED

MAY 27 1981

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, this pesticide is registered under EPA Reg. No. 43288-14

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

CAUTION: Harmful if swallowed. Avoid breathing of mist. Avoid contact with eyes. Avoid contact with skin. Wash hands after handling. Do not consume food, water, or feedstuffs. Food should be removed or covered during treatment. Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially processed. Do not use in serving areas while food is exposed.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not puncture or incinerate container or throw into fire. Exposure to temperatures above 130°F may cause bursting.

FOR USE ONLY WHEN BUILDING IS VACATED BY HUMANS AND PETS

STATEMENT OF PRACTICAL TREATMENT

If in Eyes: Flush eyes with plenty of water. Get medical attention if irritation persists.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Use at least one canister for each 10,000 cubic feet of unobstructed area. Use additional units for remote rooms or where free flow of mist is not assured.

IMPORTANT:

Locate fogger in center of room or area being treated. Place newspapers under fogger and for three or four feet around the can to prevent staining or marring surfaces. Close doors and windows. Remove pets and cover or remove fish bowls. Cover or remove exposed foods and dishes. Open cabinets and doors to areas to be treated. Shut off fans and air conditioners. Put out all open flames or pilot light. Place at least 6 feet away from pilot light. Keep at arms length when releasing. Point top of can away from face and eyes. To start fogging action, press plastic tab on valve down until it clicks. Set in upright position and leave the building at once. Leave undisturbed for at least 2 hours. Open doors and windows and thoroughly ventilate for at least 30 minutes longer. Solvents may soften some asphalt or synthetic tile floors. If used directly over asphalt or synthetic tile, newspapers should be spread on the floor for several feet around the area of release. Do not use with freshly waxed floors, allow wax to become hardened. Some plastics may be affected. Remove or cover plastic items such as eyeglasses, stereo covers, motion boxes.

NOTE: This product may not control hidden crawling insects. It will kill only those insects that come in contact with the mist. Therefore, complete control of an infestation of crawling insects may not be achieved.

DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS
(AND DOMESTIC ANIMALS)**

WARNING

May be fatal if swallowed. May be Absorbed Through Skin. Do not breathe dust. Do not get in eyes, on skin, or on clothing. Causes eye and skin irritation. During exposure in seed treatment and loading operations, wear goggles, clean synthetic rubber gloves, protective clothing. Wash hands, arms and face thoroughly with soap after handling and before eating or smoking. Routinely shower or bathe after work and wash work clothes with soap and hot water before reusing.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and wildlife. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. Exposed treated seeds may be hazardous to birds and other wildlife. Dispose of all excess treated seeds by burial away from bodies of water.

DIRECTIONS FOR USE:

It is a violation of State and Federal Law to use this product in a manner inconsistent with its labeling. Read all directions before using and use only as specified on this label.

STORAGE AND DISPOSAL

- PROHIBITIONS:** Do not contaminate water, food, or feed by storage or disposal. Storage and disposal is prohibited.
- PESTICIDE DISPOSAL:** Pesticide labels must be followed. Do not mix or use in any way not specified on the label. Instructions must be followed for disposal. Federal, State, or Local laws may apply. Refer to the Resource Conservation and Recovery Act.
- CONTAINER DISPOSAL:** Triple rinse (or equivalent) and offer for recycling or reconditioning, or dispose of in a sanitary landfill. For information on recycling, contact the State and Local Authorities.
- GENERAL:** Consult Federal, State, and Local Disposal Authorities for the approved procedures for disposal of containers such as limited open burning.
- STORAGE:** Store in a cool, dry place.

DIRECTIONS: Thoroughly mix the recommended amount of this product into the required amount of water for the slurry treater equipment and dilution rate to be used. Clean equipment thoroughly between treating operations. Store all treated seed in a cool dry place.

IMPORTANT: Treated seed must not be used for or mixed with food or animal feed, or processed for oil. Treat only those seeds needed for immediate use, minimizing the interval between treatment and planting. Do not store excess treated seeds beyond planting time. Seed commercially treated with this product must be labeled in accord with all applicable requirements of the Federal Seed Act. Labels attached to treated seed must state "Treated Seed must not be used for or mixed with food or animal feed, or processed for oil" and "Exposed treated seed may be hazardous to birds and other wildlife. Dispose of all excess treated seeds and seed packaging by burial away from bodies of water."
