**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS:**

CAUTION

Causes eye and skin irritation. Harmful if swallowed, inhaled, or absorbed through skin. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Wash with soap and water after handling. Avoid inhaling of spray mist. Do not use or store near food or feed.

During commercial exposure in seed treatment and loading operations wear goggles, clean synthetic rubber gloves, protective clothing, and a pesticide respirator jointly approved by the Mining Enforcement and Safety Administration (formerly the U.S. Bureau of Mines) and by the National Institute for Occupational Safety and Health under the provisions of 30 CFR part 11.

Wash hands, arms, and face thoroughly with soap and water after handling and before eating or smoking. Routinely shower or bathe after work and wash all clothing with soap and hot water before reusing.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish, birds or other wildlife. Do not apply directly to lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. Exposed treated seeds may be hazardous to birds and other wildlife. Dispose of all excess treated seeds by burial away from bodies of water.

PHYSICAL OR CHEMICAL HAZARDS:

Do not use or store near heat or open flame.

ACCEPTED

DIRECTIONS FOR USE

It is a violation of State and Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE & DISPOSAL

STORAGE: Store in a cool, dry area away from food or feed in an area designated for pesticides. Protect from excessive heat, and protect from temperatures below 0°F. Keep pesticides in original container. Keep container firmly closed when not in use.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Region Office for guidance.

CONTAINER DISPOSAL: (METAL) Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

PRODUCT INFORMATION

This product is an oil-base emulsifiable concentrate containing Methoxychlor which may be diluted or mixed with water or may be used as a direct application to seeds listed, for control of insects such as Cadelle, Confused Flour Beetle, Rice Weevil, Angoumois Grain Moth and Indian Meal Moth during preplanting storage of clean seed.

**METHOXYCHLOR 25 EC DYED
SEED TREATER**

ACTIVE INGREDIENTS:	BY WT.
Methoxychlor, Technical*	25.0%
Xylene	69.8%
INERT INGREDIENTS:	5.2%

THIS PRODUCT CONTAINS THE TOXIC INERT INGREDIENT RHODAMINE DYE 100.0%

One gallon contains 2.02 lbs. Technical Methoxychlor
*Equivalent to 22% of 2,2-bis(p-methoxyphenyl)-1,1,1-trichloroethane and 3% other isomers and related compounds.

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

Statement of Practical Treatment

IF SWALLOWED: Drink one or two glasses of water and induce vomiting by touching back of the throat with finger. Repeat until vomit fluid is clear. Call a Physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air. Apply respiration if indicated.

IF ON SKIN: Wash the affected area with soap and warm water.

IF IN EYES: Immediately flush eyes with running water for at least 15 minutes. Call a Physician.

See side panel for additional precautionary statements.

AGRICULTURAL PRODUCTS CO., GREELEY, CO 80631

DIRECTIONS FOR USE

PM-12
43789-44

SEED TREATMENT: For control of insects such as Cadelle, Confused Flour Beetle, Rice Weevil, Angoumois Grain Moth, and Indian Meal Moth, thoroughly mix the recommended amount of this product into the required amount of water for the slurry treater equipment and dilution rate to be used, or apply directly if treater equipment will provide adequate coverage in undiluted state. If used in undiluted state, do not expose damp treated seed to open flame or excessive heat. Dry seed thoroughly before stacking. If seed is stacked when wet, heat may develop which will impair germination. All treated seed should be stored in a cool, dry place until planted so that excess moisture may evaporate.

TYPE OF SEED	OUNCES PER HUNDRED POUNDS
Corn	¼ fl. oz. - 3 fl. oz.
Cotton	½ fl. oz. - 3 fl. oz.
Sorghum	½ fl. oz. - 3 fl. oz.

Use maximum rates where insect infestation are severe.

IMPORTANT: Treated seed must not be used for or mixed with food or animal feed, or processed for oil. Treat only those seeds needed for immediate use, minimizing the interval between treatment and planting. Do not store excess treated seeds beyond planting time. Seed commercially treated with this product must be labeled in accord with all applicable requirements of the Federal Seed Act. Labels attached to treated seed must state "Treated seed must not be used for or mixed with food or animal feed, or processed for oil" and "Exposed treated seed may be hazardous to birds and other wildlife. Dispose of all excess treated seed and seed packaging by burial away from bodies of water."

NOTICE-READ CAREFULLY

CONDITIONS OF SALE: Seller(s) offer(s) this produce for sale subject to, and buyer and all users are deemed to have accepted, the following conditions of sale and warranty which may only be varied by written agreement of a duly authorized representative of Seller(s).

WARRANTY LIMITATION: Seller(s) warrant(s) that this produce conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the directions for use on the label subject to the inherent risks referred to below. Seller(s) make(s) no other express warranties. **THERE IS NO IMPLIED WARRANTY OF MERCHANTABILITY** and there are no warranties which extend beyond the description on the label hereof.

INHERENT RISKS: The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with its use. Buyer assumes all risks associated with use or application of this product contrary to label instructions or resulting from extraordinary weather conditions.

LIMITATION OF LIABILITY: In no case shall Seller(s) be liable for special, indirect, or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which such damages are claimed.
