### DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

This product enters the plant through the roots and is translocated through natural growth and flow of sap to the entire plant. Working from inside the plant it kills sucking insects that feed on the plant. This product protects potted plants, violets, roses, chrysanthemums, azaleas, birch, pyracantha, spirea, and other flowers and shrubs from damage by aphids, mealybugs, spider mites, thrip, leaf miners, white flies, lace bugs, leaf hoppers, and pine tip moths.

**POTTED PLANTS INCLUDING HOUSEPLANTS:** Use one (1) level teaspoonful for each 6 inch pot, 2 teaspoonfuls for each 8 inch pot, and 1 tablespoon for each 10 inch pot. Mix thoroughly into top soil and drench with water.

**FLOWERS:** Use the following amounts and work into soil. Wet thoroughly after application.

Before planting use one cup per 25 sq. ft. (5' x 5') of area, set plant in normal manner and water thoroughly.

For growing flowers put one level teaspoonful in a narrow band around each plant.

For flowers in a row, use 1/2 cup to each 6 feet of row length in a narrow area near base of plants.

**TOMATOES:** For control of aphids, flea beetles, leafhoppers, leaf miners, and mites, use as follows: in planting seed use 1 1/2 cups per 50 feet of row in furrow near seed. In transplanting, put 2 level teaspoonfuls per plant in the transplanting soil and mix with soil before setting plants. Do not apply within 30 days of harvest. Do not use on other plants to be used for human or animal consumption.

Do not apply broadcast applications to lawn.

### NOTICE-READ CAREFULLY

**CONDITIONS OF SALE:** Seller(s) offer(s) this product for sale subject to, and buyer and all users are deemed to have accepted, the following conditions of sale and warranty which may only be varied by written agreement of a duly authorized representative of Seller(s).

**WARRANTY LIMITATION:** Seller(s) warrant(s) that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the directions for use on the label subject to the inherent risks referred to below. Seller(s) make(s) no other express warranties. **THERE IS NO IMPLIED WARRANTY OF MERCHANTABILITY** and there are no warranties which extend beyond the description on the label hereof.

**INHERENT RISKS:** The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with its use. Buyer assumes all risks associated with use or application of this product contrary to label instructions or resulting from extraordinary weather conditions.

**LIMITATION OF LIABILITY:** In no case shall Seller(s) be liable for special, indirect, or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which such damages are claimed.
