

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS  
(AND DOMESTIC ANIMALS)**

**CAUTION**

May cause irritation of eyes, nose, or throat. Do not breathe dust. Wash thoroughly with soap and water after handling and before eating or smoking.

**ENVIRONMENTAL HAZARDS**

This product may be toxic to fish, birds, or other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

**PESTICIDE DISPOSAL:** Pesticide, spray mixture, or rinse water that cannot be used according to label instructions must be disposed of according to applicable Federal, state, or local procedures.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or dispose of in a sanitary landfill, or by incineration if allowed by state and local authorities.

This product is for use in the control and prevention of Indian Meal Moth Larvae and Almond Meal Moth Larvae in stored grains, soybeans, sunflower seed, peanuts, crop seed, and other stored products susceptible to damage by these pests. This product is exempt from the requirements

Bt-25

Biological Insecticide  
(Bacillus thuringiensis)

FOR CONTROL & PREVENTION OF  
Indian Meal Moth Larvae and  
Almond Meal Moth Larvae in  
Stored Products

ACTIVE INGREDIENT	BY WT.

AGRICULTURAL PRODUCTS COMPANY, FL. Worth, TX 76112

of a tolerance on raw agricultural commodities when applied to growing crops after harvest in accordance with good agricultural practices. Products treated with this substance can be used at a time after treatment for any use.

Treatments can be applied to stored products at any time. For best results, application should be made before stored products are contaminated by moths. Since this product controls the moth larvae, moth infestation may continue for several weeks after treatment of contaminated products. If immediate control of severe infestations is desired, fumigation may be necessary prior to application of this product.

**APPLICATION RATES**

For top dressing/surface treatment apply this product to the surface at the rate of 4 lbs. per 500 sq. ft. Mix thoroughly with a scoop or shovel to a depth of 2 - 4 inches.

For treatment of entire mass, apply this product to stored product at the rate of 30 lbs. per 1000 lbs. Apply to the stored product so that it is thoroughly mixed throughout.

For protection of bagged product apply this product at the rate of 30 lbs. per 1000 lbs. of stored product. Mix thoroughly prior to bagging.

**NOTICE-READ CAREFULLY**

**CONDITIONS OF SALE:** Seller(s) offers this product for sale subject to, and buyer is deemed to have accepted, the following conditions of sale and warranty which may vary by agreement of a duly authorized representative of Seller(s).  
**WARRANTY LIMITATION:** Seller(s) warrants that this product conforms to the chemical description and is reasonably fit for the purposes referred to in the directions for use on the label/label and has referred to below. Seller(s) makes no other express warranties. THERE IS NO REPRESENTATION OF MERCHANTABILITY and there are no warranties which extend beyond the description hereof.  
**INHERENT RISKS:** The directions for use of this product are believed to be reliable and show accuracy. However, it is impossible to eliminate all risks associated with its use. Buyer assumes all risk of loss or application of this product contrary to label instructions or resulting from such use.  
**LIMITATION OF LIABILITY:** In no case shall Seller(s) be liable for special, indirect, or consequential damages resulting from the use or handling of this product and no claim of damages shall be greater than the purchase price of the product in respect of which such damages are claimed.
