NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 43797-8" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Timothy A. Garner

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USE

NET CONTENTS:

NOV 4 1985

3797-8

ON PETS

Start spraying at the tail, moving the spray rapidly and making sure that the animal is covered, including the legs and underbelly. While spraying, fluff the hair so that spray reaches to the skin. Make sure spray wets the skin. Do not spray into eyes or face. Repeat as necessary.

ON PREMISES

To control fleas and brown dog ticks, thoroughly spray infested areas, pet quarters, nearby cracks and crevices, baseboards, mouldings, window and door frames. In localized areas of floor and floor coverings, bedding should be placed in animal quarters. Concurrent treatment of premises is recommended. Repeat treatment as needed.

DISPOSAL

Do not reuse empty container. Wrap in newspaper for trash collection.

**PRECAUTIONARY STATEMENT
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION

Harmful if swallowed. Avoid inhalation. Avoid contact with skin. Wash contact surfaces promptly with soap and water. Avoid contact with foodstuffs. Remove birds and cover before spraying.

Buyer assumes all risks of use, storage, handling of this material not in strict accordance with directions given hereon.
