Beerse, Belgium

GENERAL INFORMATION

Fecundal[®] 6.5L SEED TREATMENT

43813-5 PM 21 1031

fl. oz. per 100 lbs. of seed. Fecundal 6.5L controls barley leaf stripe and suppresses crown root rot (*Cochliobolus sativus* and *Fusarium spp.*), Septoria leaf spot, spot blotch (*C. sativus*), tan spot (*Phyllosticta trichostoma*), and net blotch sp. cereal by controlling seedborne and seedling infections.

COTTON: For control of *Fusarium* and *Thielaviopsis* use 7.5-15 fl. oz. of Fecundal 6.5L per 100 lbs. of seed.

Use the higher dose when disease pressure is severe.

For ready mix treaters, Fecundal 6.5L may be applied directly to the seed. For slurry treaters, Fecundal 6.5L may be diluted with ethanol or a 20:10 water: ethanol solution.

SEED LABELING: Seeds treated with Fecundal 6.5L. Do not use treated seed for food, feed or oil purposes. Do not graze or feed foliage from treated area to livestock.

USE PRECAUTION: All seed treated with this product must be adequately dried. Any dye added to treated seed must be cleared for use under 40 CFR, Part 160.1001.

NOTICE OF WARRANTY

Treatment of highly mechanically damaged seed, or known low vigor and poor quality, except for the purposes of curative control of existing disease or insect pests, can result in reduced germination and/or reduction of seed and seedling vigor. Treat and germination test a sample of the seeds lot before treating with a selected chemical treatment. Excess seed should not be carried over from one season to the next without re-testing germination. Due to seed quality conditions beyond the control of Janssen Pharmaceutica, no claims are made to guarantee germination of carry-over seed.

Janssen Pharmaceutica warrants that this product conforms to the chemical description on the label thereon and is reasonably fit for purposes stated on seed label only when used in accordance with the directions under "normal use conditions". It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Janssen Pharmaceutica. In no case shall Janssen Pharmaceutica be liable for consequential, special or indirect damages resulting from the use or handling of this product. All such risks shall be assumed by the buyer. JANSSEN PHARMACEUTICA MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.
