UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

WASHINGTON, D.C. 20460

DEC 17 2012

OFFICE OF  
PREVENTION, PESTICIDES  
AND TOXIC SUBSTANCES

Mr. Bill Goodwine  
Senior Director of Regulatory Affairs & Product Development for,  
Janssen PMP  
Preservation and Material Protection  
a division of Janssen Pharmaceutica NV  
1125 Trenton-Harbourton Road  
Titusville, NJ 08560-0200

Subject: Sodium Pyrion 40% MP  
EPA Registration Number 43813-49  
Your Amendment Dated September 14<sup>th</sup>, 2012  
EPA Received Date December 19<sup>th</sup>, 2012

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, FIFRA, as amended, to add additional manufacturing sites to the Confidential Statement of Formula, is acceptable.

The Confidential Statement of Formula dated September 14, 2012, is acceptable and supercedes all previous Confidential Statements of Formula for the basic formulation.

A stamped copy of the labeling is enclosed.

If you have questions concerning this letter, please contact Karen M. Leavy at (703)-308-6237.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Swindell".

Marshall Swindell  
Product Manager 33  
Regulatory Management Branch I  
Antimicrobial Division(7510P)

ACCEPTED  
with COMMENTS  
in EPA Letter Dated:

DEC 17 2017  
**SODIUM PYRIFION 40% MP**  
Fungicide and Insecticide  
amended, for the pesticide,  
registered under EPA Reg. No.  
Manufacturing Use Product For  
Formulating Material Preservatives

43813-49

**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**WARNING**

May be fatal if absorbed through skin or inhaled. Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes, on skin, or on clothing. Do not breathe the spray mist. Remove contaminated clothing and wash clothing before reuse.

**PERSONAL PROTECTIVE EQUIPMENT (PPE)**

Applicators and other handlers must wear: goggles or face shield, long sleeved shirt and long pants, socks and shoes, chemical-resistant gloves (such as rubber or waterproof gloves).

**USER SAFETY REQUIREMENTS**

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions exist for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

**USER SAFETY RECOMMENDATIONS**

Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Remove PPE immediately after handling this product. Wash the outside of gloves before removing.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, ponds, streams, estuaries, oceans or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact our State Water Board or Regional Office of the EPA. This pesticide is a chelating agent and should not be used with other chelating agents or with chlorine.

**CHEMICAL HAZARDS**

Do not store or mix with strong oxidizing agents

- **STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage or disposal.

- **PESTICIDE STORAGE:** Do not store above 130°F (55°C). Keep container tightly closed when not in use. Do not store with strong oxidizing agents.

- **CONTAINER DISPOSAL:** Non-refillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Offer for recycling if available or puncture and dispose of in a sanitary landfill or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

- **PESTICIDE DISPOSAL:** Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinse into application equipment or a mix tank or store rinse for later use or disposal. Repeat this procedure two more times. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not use for applications involving direct or indirect food/drinking water contact unless the end-use product is specifically approved for such use.

Only for the formulation of material preservative products for use in:

- Aqueous based fluids (metalworking, cutting, cooling & lubricating fluids)
- Metalworking, cutting, cooling & lubricating fluid concentrates
- Latex emulsions used in adhesives, caulks, patching compounds, sealants, pastes, & grouts
- Aqueous synthetic fiber lubricating (spin finishes)
- Aqueous based inks
- Natural and synthetic adhesives, latexes, urethane foams, caulks, patching compounds, sealants, architectural paints, industrial paints & coatings (including wood coatings), pastes, and grouts
- Laundry rinse additives & detergents, and carpet, surface, & floor cleaners
- Aqueous based chemical or mineral Add Mixtures used in concrete
- Aqueous analytical & diagnostic reagents
- Carraegenan based gels used to produce air fresheners
- Leather preservation
- Gypsum wallboard & dry wall; Gypsum, pearlite, plaster-like, mineral based or cellulose derived building materials used in the manufacture of ceilings, ceiling tiles, walls & partitions.

Formulators using this product are responsible for obtaining EPA registration of their formulated product.

**NOTICE OF WARRANTY**

Janssen PMP, a Division of Janssen Pharmaceutica NV warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Janssen PMP. To the extent permitted by law, Janssen PMP disclaims any liability for consequential, special or indirect damages resulting from the use, handling, application, storage or disposal of this product or for damages in the nature of penalties, and the buyer and user waive any right that they may have to such damages. To the extent consistent with applicable law, Janssen PMP makes no warranties of merchantability or of fitness for a particular purpose or any other express or implied warranty except as stated above.

**ACTIVE INGREDIENT:**  
sodium pyrrithione (sodium 2-pyridinethiol-1 -oxide)..... 40%  
**Inert ingredients:**..... 60%  
**TOTAL**..... 100.0%

**KEEP OUT OF REACH OF CHILDREN**

**WARNING**

<b>First Aid</b>	
<b>If in eyes</b>	- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. - Call a poison control center or doctor for treatment advice.
<b>If swallowed</b>	- Call a poison control center or doctor immediately for treatment advice. - Have person sip a glass of water if able to swallow. - Do not induce vomiting unless told to do so by a poison control center or doctor. - Do not give anything by mouth to an unconscious person.
<b>If on skin or clothing</b>	- Take off contaminated clothing. - Rinse skin immediately with plenty of water for 15-20 minutes. - Call a poison control center or doctor for treatment advice.
<b>If inhaled</b>	- Move person to fresh air. - If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. - Call a poison control center or doctor for further treatment advice.
<b>HOTLINE NUMBER:</b>	For information on this pesticide product (such as health hazards, first aid, fire and reactivity hazards, physical and chemical hazards, storage and handling, and disposal methods) call the National Pesticide Information Center at 1-800-854-7176. For chemical emergency assistance (spill leak, fire or accident), call Chem. Free. at 1-800-424-9300. Have the product container or label with you when calling a poison control center or doctor, for treatment.
<b>NOTE TO PHYSICIAN</b>	Convulsions, if persistent, may be controlled by careful intravenous use of short-acting barbiturates. Probable mucosal damage may contraindicate the use of gastric lavage.
