DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Dip cutting to desired rooting depth then place in propagating media.

General dilutions:

- Herbaceous or soft wood --1 part to 20 parts water
- Medium hardwood --1 part to 10 parts water
- Hardwood --1 part to 5 parts water

Store at room temperature, tightly capped, preferably in the dark.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

Corrosive, causes eye damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful if swallowed or absorbed through the skin.

In case of contact with eyes, flush eyes with plenty of water for at least 15 minutes. Call physician immediately.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.

DISPOSAL

2 7 2

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
