DIRECTIONS FOR USE

NOTE: It is a violation of federal law to use this product in a manner inconsistent with its labelling.

TO USE: Remove one mat from its protective wrapping and slide in under grill on top of ceramic plate before plugging in unit. Plug unit directly into standard household wall outlet or UL approved extension cord for one hour before sleeping quarters are to be occupied and then disconnect. Mat may be left in place and used repeatedly until blue indicator color changes to white showing that mat has been used up. Then slip in a fresh mat, pushing out the old mat with the one.

FOR BEST RESULTS: Use one unit for each 1,200 cu. ft of space (approximately 10' x 14' x 9')

STORAGE: Store unopened mats in a cool dry place, out of the reach of children.

DISPOSAL: Wrap used mats and discard in trash. Do not re-use spent mats.
