

PM-10

Reg # 43917-1

DIRECTIONS FOR USE

NOTE: It is a violation of federal law to use this product in a manner inconsistent with its labelling.

TO USE: Remove one mat from its protective wrapping and slide in under grill on top of ceramic plate before plugging in unit. Plug unit directly into standard household wall outlet or UL approved extension cord. Mat may be left in place and used repeatedly for up to 8 hours until blue indicator color changes to white showing that mat has been used up. Then slip in a fresh mat, pushing out the old mat with the new one.

FOR BEST RESULTS: Use one unit for each 1,200 cu. ft. of space (approximately 10'x 14' x 9')

STORAGE: Store unopened mats in a cool dry place, out of the reach of children.

DISPOSAL: Wrap used mats and discard in trash. Do not re-use spent mats.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

CAUTION: Harmful if swallowed. Avoid prolonged inhalation. Do not handle with wet hands. Do not use around food. Disconnect before going to sleep.

PHYSICAL OR CHEMICAL HAZARDS

Do not pry open or probe into appliance with any instrument or tools. Use only with voltage shown on bottom of appliance. Plug directly into standard household wall unit. Do not cover the plugged in heater or place it in contact with any flammable materials such as furniture, drapes or curtains. With mat in place the ceramic plate of working device may reach 162 F.

U.S. Patent No: 4,251,714

Manufactured by: Zobebe Industrie Chimiche S.p.A., Trento, Italy
