Dear Mr. Keane:

Subject: Spira Punki Brand Mosquito Coil
EPA Registration No. 43917-2
Your Submissions Dated June 16 and 30 and September 4, 1987
and June 10, 1988

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

The substitution of 0.2% Bioallethrin for 0.35% allethrin is acceptable.

The alternate brand name of "Bengal Mosquito Coils" is acceptable. The alternate brand name of "Bengal" for both products would be confusing and is not acceptable.

The alternate brand name of "Spira Mosquito Coils" is acceptable.

DIRECTIONS FOR USE

NOTE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE & DISPOSAL:

DO NOT RE-USE EMPTY ENVELOPES. Wrap and place in trash collection. Do not incinerate. Used stands, if kept for further use, must be stored out of reach of children and pets.

For best results—place one coil about every 8–10 feet (2–3m) around perimeter of area to be protected. Most effective in semi-confined outdoor sites such as porches, patios, open gazebos, pavilions, shelter-halves, lean-to's in lee of wind direction. Duration and results are affected by airflow and breeze. Save the stands after use to permit burning more coils with future packages.

PRECAUTIONARY STATEMENTS

HAZARDOUS TO HUMANS & DOMESTIC ANIMALS

CAUTION—For outdoor use only. Do not use indoors or in restaurants or in unventilated places. Cover exposed food to avoid contamination. Do not place in direct contact with flammable objects, materials or surfaces. Avoid prolonged inhalation. Do not touch glowing end.
